CLASSIFICATION
HANDBOOK**

**OFFICE OF THE COMPTROLLER
COMMONWEALTH OF MASSACHUSETTS**

Note: Please become familiar with the [Instructions Section](#) of the Expenditure Classification Handbook “ECH” before moving on to this section.

OBJECT CLASS LL - PROGRAMMATIC EQUIPMENT TAX EXEMPT LEASE-PURCHASE (TELP), LEASE AND RENTAL, MAINTENANCE AND REPAIR

Covered Expenditures: This object class includes expenditures for non-Information Technology (IT) and non-facility infrastructure Tax Exempt Lease-Purchases (TELP), Equipment Term Leases and short-term rentals, and equipment maintenance and repair.

Expenditures Not Covered: This object class does not cover outright purchase of equipment without financing. For this expenditure, see Object Class [KK](#). For facility infrastructure and systems, see Object Class [NN](#). For Information Technology (IT) expenses, see Object Class [UU](#).

Requirements: All Commonwealth departments are responsible for making contract obligations and expenditures in compliance with applicable laws and CTR Fiscal Policies (see [Fixed Asset Acquisition Policy](#)). All departments that take advantage of incidental purchases must comply with incidental purchase requirements identified by CTR and OSD. In addition:

- Executive departments “Level III” must comply with [M.G.L. c. 7, § 22, 801 CMR 21.00](#) and the “[Conducting Best Value Procurements Handbook](#)” for [801 CMR 21.00](#) covered goods and services, and must purchase from available Statewide Contracts, and use specified Commonwealth contract forms. Exceptions from using Statewide Contracts will only be permitted with prior written approval from the State Purchasing Agent explained in [Procurement Overview - OSD Legal Authority, Strategic Oversight and the Required Use of Statewide Contracts \(Revised 10/1/2013\)](#). Departments are required to review [Conducting Best Value Procurements Handbook](#);
- Non-Executive departments “Level II” must comply with [M.G.L. c. 7, § 22](#), internal procurement policies and procedures and use specified Commonwealth contract forms.
- Exempt departments “Level I” must comply with internal procurement policies and procedures and if the department takes advantage of MMARS document processing delegation, the department must use specified Commonwealth contract forms.

The format of this object class differs from other object classes because the object codes are divided into the following three categories:

❖ Object Codes L02 through L12 –EQUIPMENT LEASE-PURCHASE (TELP) (Purchase of Commodity with Third Party Financing with goal of Ultimate Ownership)

- Department has a definite long term need for the Commodity.
- Commodity is not likely to be quickly outdated by advances in technology, or the durability of the Commodity will provide a long-term useful life.
- Department wants to “own” equipment.
- Department does not have sufficient available funds for outright purchase.
- ANF has approved the use of a TELP.
- Department must commit to ensuring sufficient operating or other non-capital funds are available for TELP payments.
- TELPS paid (in full or in part) with Commonwealth funds (appropriated) MUST use either the Tax-Exempt Financing by Commonwealth TELP, Statewide TELP Contracts or an approved Contractor TELP; Universities, Non-Executive and Exempt departments that plan to use appropriated funds to pay for a TELP MUST use the approved TELP contractors since use of appropriated funds potentially impacts the Commonwealth’s bond rating and must be carefully monitored.
- Department builds equity in equipment and title passes to the department at end of Lease-Purchase payments.
- Procuring departments are required to service/maintain equipment. Service/Maintenance contracts should be executed with an appropriate service vendor and recorded on MMARS as a CT or RPO.
- TELPS require recurring payment mechanism to ensure timely payments (RPO).
- TELPS may not be terminated without prior approval of the Comptroller.

EXPENDITURE CLASSIFICATION HANDBOOK

❖ **Object Codes L22 through L32 EQUIPMENT SHORT TERM RENTAL OR TERM LEASE (Short term use of equipment without ownership.)**

Short Term Equipment Use Without Ownership (Less than 6 months) – Rental

- Short Term “use” department does not wish to own.
- Rental payments are usually significantly more than Term Lease or Lease Purchase (TELP) payments.
- Maintenance/insurance is provided by the contractor.
- Departments will not build equity in the equipment and will not own or buy out the equipment as an option of the Rental.
- Title and ownership and risk of loss remain with the contractor and will NOT be transferred to the department as part of the Rental.

Long Term Equipment Use Without Ownership (Longer than 6 months) – Term Lease

- Lease gives the department only the “use” of the commodity for a specified period.
- Lease payments are usually less than a rental for the same period of time.
- Procuring departments are usually required to maintain and service the commodity, either as part of the lease payment or under a separate maintenance contract.
- Procuring departments will not build equity in the equipment and will not own or buy out the equipment as an option of the lease.
- Leases may offer automatic upgrades or replacement with new models during or at the end of the term of the lease.
- Title and ownership and risk of loss remain with the Contractor and will NOT be transferred to the department as part of the lease.

A Term Lease must be evaluated to determine if it should be categorized as capital or operating. The key points are as follows:

- Is there are transfer of ownership at the end of the lease?
- Is there a “bargain purchase option?” In other words, can the asset be purchased at the end of the lease for less than its fair market value at the end of the lease?
- Is the term of the lease GREATER THAN OR EQUAL TO 75% of the asset’s **USEFUL LIFE**?
- Is the present value of the lease payments GREATER THAN OR EQUAL TO 90% of the asset’s **FAIR MARKET VALUE** at the time of signing of the contract?

If the answer to ANY of the above is YES, the lease type is a CAPITAL lease. All others are OPERATING LEASES.

❖ **Object Codes L42 through–L63 EQUIPMENT MAINTENANCE AND REPAIR (Includes Replacement Parts Only as Part of The Service Agreement)**

Maintenance is day-to-day, recurring repair and upkeep, which maintains an asset in good working condition throughout its estimated useful life.

OBJECT CODES L02 THROUGH L12 – EQUIPMENT LEASE-PURCHASE (TELP)
(Purchase of Commodity with Third Party Financing with goal of Ultimate Ownership).
