PURPOSE:

To outline responsibilities for budgeting, accounting, and fiscal control procedures for the Department.

POLICY:

The City Charter specifies the duties of the City Manager. Among his duties, the City Manager prepares and submits the annual budget to the City Council, after considering revenue and expenditure recommendations from each City department head. The Chief of Police is responsible for preparing the annual budget for the Department. The Department budget accurately reflects the needs and requirements of the Department, in order to provide the highest quality law enforcement service.

DISCUSSION:

N/A

PROCEDURE:

I. Responsibilities

- A. The Chief of Police has the authority and responsibility for fiscal management and fiscal matters for the Department, and must comply with financial requirements established by law and City policy.
- B. The Commander of Administrative Services is involved in Department financial management by performing monthly reviews of the Department's accounts, to assure proper expenditures; and in the day to day budget / fiscal oversight of the Department budget.
- C. Division Commanders are responsible for the acquisition and receipt of goods and materials necessary to operate sections within their divisions. However, many items and activities funded within the Administrative Services Division are for the Department at large.

II. Annual Budget Process

- A. Key timetables.
 1. The Department's fiscal year begins July 1, and ends June 30, each year.
 2. The City Council approves the budget before May 1, each year.
 3. Requests for Capital Improvement Projects are submitted to the City Manager during August, each year.
 4. Proposed operating budgets for all City departments are due during January, each year.
- B. Division Commanders and other selected staff actively participate in the identification of funding needs, as well as the creation of necessary item or program justification. This occurs during one or more budget conferences involving members of the Command Staff typically between September and November of each year. These conferences can result in the creation of supplemental requests which are developed and then placed in the department's written budget requests. In addition to this procedure, special conditions may dictate the need for staff reports or similar research on certain budget matters. The Commander of Administrative Services assists the Chief of Police in preparing the final Department budget documents.
- C. The Chief and his administrative staff meet to conduct a final budget review prior to presentation to the City Manager.

- D. Division Commanders meet and discuss justification for budget items, particularly those dealing with requests for additional personnel. Major capital item acquisitions are based on detailed operational and activity analysis that clearly demonstrates need, operational capability to be enhanced or other justification factors. The written request for these initiatives is included in the budget document, specifically identified as supplemental requests for the purpose of funding. These recommendations become part of the reference information utilized by the Chief of Police, or may be submitted as a part of the Department budget for consideration by the City Manager.
- E. In the event that emergency situations arise, involving circumstances that could not have been anticipated by prior fiscal planning, the Chief of Police may request additional funding from the City Manager, who may, in turn, seek City Council approval and authorization. For unanticipated and urgently needed purchases arising as the result of an emergency, the Chief may receive verbal approval from the City Manager and Department purchasing cards may be used for purchases in this event.
- F. City procedures exist that provide adjustment mechanisms that the Chief of Police may use to transfer, or request approval of the transfer of funds from one budget account to another, as shortages and overages in the Department budget are identified. Such fund transfers are proposed by the Chief of Police, and may require approval by the City Manager, Director of Finance or the City Council.

III. Accounting

- A. The Fiscal Specialist of the Administrative Services Division is responsible for maintaining the Department ledger account system, accurately reflecting all Department financial transactions on a fiscal year basis.
- B. Periodic budget printouts received from the City's automated (computerized) accounting system are compared with the Department ledger account system, and any identifiable errors, omissions, or unexplainable transactions are called to the attention of the Chief of Police for resolution.
- C. The Department ledger account system records include the following information concerning each budget account:
 - 1. Initial appropriation for each account.
 - 2. Current account balance.
 - 3. Expenditures, encumbrances, and credits made since the beginning of the fiscal year.
- D. The Commander of Administrative Services is responsible for reviewing the Department budget on a monthly basis to ensure that expenditures do not exceed budgeted amounts. The Commander prepares and submits a monthly status report that includes the following categories:
 - 1. Initial appropriation for each account.
 - 2. Balance at the time of the report fiscal year to date.
 - 3. Expenditures and encumbrances made during the monthly period.
 - 4. Unencumbered balance.
- E. Authorization for payment of bills is made by the Commander of Administrative Services who ensures proper expenditure classification.
- F. Position status control.
 - 1. As a part of the annual budget process, the number, types, and grades of positions are established for the Department.
 - 2. All members on the Department payroll must be legally employed, and filling authorized positions in accordance with budget authorization.
 - 3. The Chief of Police monitors wage expenditures for all employees.
- G. Department Funds
 - 1. Any cash in the Department is properly collected, safeguarded, and dispersed. Cash taken as evidence or turned into the Department as "lost and found" is properly accounted for in the Department Property and Evidence System.
 - 2. The only cash disbursement function performed by any member of the department is done in relation to payments for confidential informant and through the Animal Shelter
 - a. Cash required for informant expenses in the Vice/Narcotics function is handled by the Prince William County Police Department in accordance with the Prince William/Manassas/Manassas Park Task Force Agreement.

- b. The Prince William County Police Department in accordance with the Prince William/Manassas/Manassas Park Task Force Agreement. maintains current, complete and accurate accounting of all funds.
- c. Funds expended pursuant to the Task Force Agreement are documented with receipts. Reimbursement for the funds expended is done on a monthly basis as required with a check made payable to the Prince William County Police Department for the requisite amount of documented expenditures made by department members.
- 3. **Cash or** checks are received for the following Department transactions:
 - a. Animal license fees.
 - b. Release / spay / neuter / etc. of animals. The Animal Shelter (a private contractor) performs these services; the records and funds generated by the Shelter are released to the Chief Animal Control Officer, or Animal Control Officer.
- 4. Checks only are received for the following transactions:
 - a. Administrative fees such as for the copying of accident reports.
 - b. Restitution fees / auctions ordered by the court.
 - c. Other administrative fees.
- 5. The following members of the Department are authorized to collect checks as appropriate for the transactions listed directly above: Any checks received by records are immediately turned over to the Fiscal Specialist and forwarded to City Hall. Property/Evidence Technician also takes checks for boots, i.e., Department pays \$100, officer writes a check for remainder. These checks are collected by the Property/Evidence Technician and then forwarded to the Fiscal Specialist.
 - a. Records Section members.
 - b. Property and Evidence Technicians.
 - c. Animal Control Officers.
 - d. The Fiscal Specialist of Administrative Services.
- 6. Members who receive checks in payment for official Department transactions ensure that such checks are made payable to "The City of Manassas." When so endorsed, a receipt is not given to the payer, except upon request. The cancelled check is normally the payer's receipt. Checks that are not made payable to "The City of Manassas" for such transactions are not accepted by any member of the Department.
- 7. Animal Control Officers and shelter employees are the only members authorized to conduct **cash** transactions. The procedure for conducting cash transactions includes preparing a three-part receipt form, indicating the type of transaction and the amount received. The CAD number or case number related to the transaction is documented on the receipt in the "number" area. The copies are routed as follows:
 - a. One copy to the payer.
 - b. One copy is retained with the cash payment, and forwarded to the City Treasurer.
