CDL Driving Skills Road Test

The Driver License Office does not administer the Driving Skills Road Test for Commercial Driver Licenses (CDL).

For more information and to schedule an appointment to take the required tests, please visit the **Statewide Contracted Commercial Motor Vehicle Skill Test Sites** website:

<https://www.flhsmv.gov/driver-licenses-id-cards/commercial-motor-vehicle-drivers/third-party-skill-test-sites/>

IMPORTANT! Before taking skills testing or removing the Air Brakes restriction, **you are required to obtain a commercial learner's permit and hold it for 14 business days before** you are permitted to complete any skills testing. In order to obtain the permit, you must pass all required written exams for the applicable class and any endorsements. ([Hazmat endorsements](#) cannot be added to your commercial learner permit.) You must also self-certify your driving status and provide a current medical certification card, if required by your selected status. Please visit <http://www.flhsmv.gov/ddl/cdlmedicalcert.html> for more information.
