19-26-1 WRECKER SERVICES PAID WITH DEPARTMENT FUNDS

- A. Worksites that use department funds to pay for wrecker services may be required to establish a contract for services if the total amount paid to a single vendor exceeds \$100 per incident or \$400 per year. When it is anticipated that expenditures will exceed these amounts, the Budget and Financial Services Division must be contacted.
- B. If the costs associated with the towing, storage, and disposal of vehicles are paid with multijurisdictional team funds, or other funds which have not been appropriated, it is not necessary to follow these requirements.
