POLICY:

Individuals are requested to refrain from soliciting other employees during working time for any purpose. "Working time" includes working time for either employee soliciting or distributing literature or an employee being solicited or receiving literature.

Solicitation and distribution of literature or other materials by non-employees for any purpose is prohibited at all times anywhere on company premises. Company premises includes, but is not limited to, all enclosed buildings, parking areas, walkways, driveways, grounds and other common areas.

Any non-employee violating this policy will be required to leave the facilities' premises.
