Marysville PD Policy Manual

"Service with Honor"

This Marysville Police Department Policy and Procedure Manual represents an intensive process of review, revision, and reformatting. This policy work occurred during a time of great change in law enforcement stretching from 2020 to 2022. The dedication of our staff and law enforcement trainers has resulted in a collection of best practices and policies that we can be proud to call our own.

Our manual provides information to all employees regarding our agency's mission, vision, and values. It also addresses our protocols, how to conduct acceptable practices, and our methods of operation.

The manual is designed for all employees to facilitate the information regarding our statutory authority as a law enforcement agency. Outlined within are acceptable practices in specific areas that conform to the law and are consistent with our agency's organizational culture and best practices within the law enforcement industry.

Thorough knowledge of this manual's information in concert with compliance while performing your job functions should provide a strong foundation for your success through service to our community. A positive personal attitude and the philosophies outlined in this manual will ensure that together we meet the department's mission, vision, and values.

In this manual will ensure that together we meet the department's mission, vision, and values.
