- F. MCUG3032 – Orthotic and Prosthetic Appliances Guidelines

II. IMPACTED DEPTS:

- A. Health Services
- B. Claims
- C. Member Services

III. DEFINITIONS:

- A. Podiatry or podiatric medicine is a branch of medicine devoted to the study of diagnosis, medical and surgical treatment of disorders of the foot, ankle and lower extremity.
- B. A Doctor of Podiatric Medicine (DPM) is a medical specialist who diagnoses and treats conditions affecting the foot, ankle, and structures of the leg.
- C. Podiatry Services include:
 - 1. Any medical services provided by a DPM, or
 - 2. Services provided by another physician or non-physician medical practitioner that could be performed by a DPM
- D. Direct Members: are those whose service needs are such that Primary Care Provider (PCP) assignment would be inappropriate. Assignment to Direct Member status may be based on the Member's medical condition, prime insurance, demographics or administrative eligibility status. Direct Members do not require a Referral Authorization Form (RAF) to see a specialist.

IV. ATTACHMENTS:

VI. POLICY / PROCEDURE:

- A. Podiatric office visits are covered as medically necessary and are limited to diagnosis, medical, surgical, mechanical, manipulative, and electrical treatment of the human foot, including the ankle and tendons that insert into the foot and the nonsurgical treatment of the muscles and tendons of the leg governing the functions of the foot.
- B. Authorization
 1. Members assigned to a primary care provider (PCP) must have a Referral Authorization Form (RAF) from their PCP unless the podiatrist is in the same practice.
 2. Direct Members may be seen by a Medi-Cal certified podiatrist without a referral.
 3. A Treatment Authorization Request (TAR) is required for procedures listed in the Partnership TAR Requirements document (see Attachment A of policy MCUP3041 Treatment Authorization Request (TAR) Review Process).
 - a. Partnership uses InterQual® Procedural Criteria, Adult and Pediatric, to evaluate for appropriate use of procedures and Partnership utilization management guidelines to evaluate for durable medical equipment (DME) needs (see policy MCUP3013 Durable Medical Equipment (DME) Authorization).
 4. A TAR is not required for office visits.
- B. Other Coverage: If a Partnership Member has other health coverage (including Medicare) that includes Podiatry Services, the other health insurance or Medicare is the primary payer.
- C. Medical necessity: Medical necessity for podiatry services provided to Partnership Members will be determined using InterQual criteria, Medi-Cal Guidelines and/or Medicare guidelines.

In accordance with the California Health and Safety Code, Section 1363.5, this policy was developed with involvement from actively practicing health care providers and meets these provisions:

- Consistent with sound clinical principles and processes
- Evaluated and updated at least annually
- If used as the basis of a decision to modify, delay or deny services in a specific case, the criteria will be disclosed to the provider and/or enrollee upon request

The materials provided are guidelines used by Partnership to authorize, modify or deny services for persons with similar illnesses or conditions. Specific care and treatment may vary depending on individual need and the benefits covered under Partnership.

Partnership's authorization requirements comply with the requirements for parity in mental health and substance use disorder benefits in 42 CFR 438.910.
