Your Health Plan On the Go

PHP Go! Mobile App

A mobile app designed for you! PHP's member mobile app, **PHP Go!** gives you access to important information and tools to make the most of your health plan, in the palm of your hand. The best part—it's **FREE**.

Here are some features of the PHP Go! app:

1. **Member ID Card**
   Instant access to view or download your Member ID card on your mobile device.
2. **View Your Claims**
   View your medical claims in the mobile app, check claim status, or download EOBs for health-related expenses.
3. **My Benefits and Year-to-Date**
   View benefit information and monitor your year-to-date totals tracking deductibles and out-of-pocket expenses.
4. **Find Care**
   Find nearby physicians or facilities that are in your network.
5. **Price a Medication**
   Compare your medication between locations and find the lowest cost before heading to the pharmacy.
6. **Wellness**
   Access our telehealth services and more.
7. **Contact**
   Reach out to our friendly, local customer service team, directly from the mobile app.

Download PHP Go! Today

To get started, search for **PHP Go!** from the Apple App Store or Google Play. Once downloaded, login using your PHP Member Account credentials. If you do not have a Member Account yet, select "**First Time User?**" once the app is open to begin.

Available on the App Store
