

# Steps to Save on Your Prescriptions

Understanding your pharmacy benefit and how it works can save you money next time you head to the pharmacy.

Quick tips to save:

**Stop and Compare** drug pricing from location to location as prices can change monthly.

**Swap your prescriptions** for over-the-counter drugs, if possible.

**Use generic drugs,** whenever possible.

**Try mail order,** it can save you money and time.

## It's easy to price shop at phpni.com!

Use the **'Price a Medication'** tool in your member account before you head to the pharmacy. It's easy, here's how:

- 1 Log in on your member portal and select **'My Pharmacy Services'** from the **Pharmacy** menu.
- 2 On Express Scripts home page, select **'Price a Medication'** from the **'Prescriptions'** menu.
- 3 Enter the medicine name you want to price, member information, and zip code, then click **'Get Prices'**.
- 4 Now you have the pricing information to compare costs at various locations, and 1-month vs. 3-month supplies.
