

## In sickness and in health.

The Premise Health Center is here for you whether you're feeling well or a little under the weather. From treating sore throats and stomachaches to providing routine checkups that can prevent you from getting sick in the first place, your care team has you covered.

Instead of waiting until you're sick, meet with your provider when you're feeling well to plan ahead for your long-term health.

**They'll ask you about your health history and may recommend preventive care services, such as:**

- Annual physicals
- Preventive exams
- Cancer screenings
- Vaccinations
- Skin checks
- Biometric screenings
- Travel medicine
- Health and wellness programs
- And more

**Schedule an appointment.**
