

Hearing Discount Program

We've partnered with TruHearing to help you save money.

What's Included?

As a PHP member, you get discounts on hearing exams and high-quality hearing aids through the TruHearing® discount program, saving you and your extended family 30-60% on the latest technology from top hearing aid manufacturers. TruHearing even saves you more on hearing aid models than purchasing the same model at a retail location.

A hearing exam plus one year of follow up visits

Access to over the counter (OTC) hearing care for eligible members

A 60-day risk-free trial and three-year warranty for your hearing aids

Local, professional care from an accredited provider in your area

Guidance and assistance from a TruHearing hearing consultant

Ready to make an appointment?

Set up an appointment with a provider near you by calling a TruHearing hearing consultant at **833.723.3050**

When you call TruHearing, you'll be connected to a consultant who can answer any questions you have and help you set up an appointment with a local, accredited provider.

At your appointment, your provider will determine if you require hearing aids and, if necessary, order them for you. You'll have ongoing support with fitting assistance, follow-up appointments and continued access to your hearing consultant.

*As a PHP member, your extended family can access the TruHearing discount program through your health plan. Ask your TruHearing hearing consultant for more details. Note: Some employers may offer additional hearing coverage. To confirm whether your employer offers hearing coverage, consult your plan documents or contact your HR department or benefit administrator. Note: TruHearing discounts cannot be bundled with existing hearing aid coverage offered by your medical plan. Note: All content ©2025 TruHearing, Inc. All Rights Reserved.
