

Provider Update: Prior Authorizations

New for January 1, 2026:

Prior Authorizations will no longer be required for the following services:

- Standard Home Health Care Services
- Hospice Services - inpatient and outpatient hospice

Note: Home infusion services will still require authorization.

Click [here](#) for a list of services that require prior authorization.

Please contact PHP Customer Service or PHP Medical Management teams at (260) 432-6690 with any questions.
