primary care, your way.

fast, hassle-free health care. anytime. anywhere.

Your Health Shouldn't Have to Wait

Have your appointment from the comfort of home — no waiting in a doctor's office with other sick people.

Receive professional care from board-certified doctors, psychiatrists, and licensed therapists.

Virtual care is covered in every PHP benefit plan. Visit your member portal for more information.

Use MDLIVE Primary Care when:

- You need urgent care, including prescriptions.
- You're stuck waiting weeks or months for in-person care.
- You want a faster, more convenient way to connect with your doctor.
- You need annual checkups and wellness screenings.

URGENT CARE On-demand care for illness and injuries.

- Talk to a board-certified doctor in just minutes when you need care fast, including prescriptions.
- Reliable and affordable alternative to urgent care clinics for more than 80 common, non-emergency conditions like flu, sinus infections, ear pain, and UTIs (Females, 18+)

MENTAL HEALTH Talk therapy and psychiatry from the privacy of home.

- Licensed therapists and board-certified psychiatrists.
- Schedule your appointment in as little as five days with after-hours and flexible sessions available.

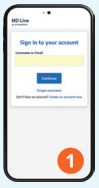

DERMATOLOGY Fast, customized care for skin, hair, and nail conditions.

- Access to the largest national network of board-certified dermatologists.
- Customized diagnosis, treatment plan, and prescriptions, often in less than 24 hours.

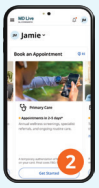

Access is available for all PHP members.

Please refer to your benefit plan for copay or coinsurance information.
