		<b>22.8</b>  Date <b>02-27-17</b>

## 22.8 Medical Releases to Return to Work Following Industrial Injury

No later than the beginning of their next regularly scheduled *shift*, an *employee* returning from injury leave *will* provide their *supervisor* with a copy of a written full-duty or light duty release from a licensed *physician* and *may* be required to requalify with their duty weapon based on the nature of the injury. At the *Chief's* discretion, *employees may* be sent to a *Town* selected *physician* when additional information/clarification is needed to determine the *employee's* fitness for work.
