

## PARADISE VALLEY POLICE GENERAL ORDER

### Residential and Business Security Surveys

Order Number

**45.6**

Date

**01-19-17**

#### **45.6 Residential and Business Security Surveys**

When requested, a security survey of a property (residential or commercial) can be performed by an *Officer*. The *officer* examines the property and identifies potential security risks (poor locks, vegetation that blocks views of entry points, etc.) that the owner of the property *may* correct to reduce the risk.
