|  | TRAFFIC CODE ENFORCEMENT | Operations Order 7.5.01 |
| | PHOENIX POLICE DEPARTMENT | Rev. 10/15 PAGE 1 |

1. **GENERAL ENFORCEMENT GUIDELINES**

A. Citing Violators

(1) Use of Discretion - This policy provides guidelines for enforcement of State and City traffic codes; however, with justification, employees may use discretion when determining whether or not to cite violators.

(2) State and City Traffic Codes

(a) Arizona Revised Statutes (ARS) Title 28 should be used for most traffic law violations.

(b) Phoenix City Codes (PCC) may be used if there is not an applicable State code.

(c) Violators will be cited for appropriate violations of ARS Title 28 when both City and State codes exist for the violation, except for parking violations.

B. Warnings - Since the Department does not authorize issuing written warnings for traffic violations, employees may issue a verbal warning for violations unless otherwise indicated in this policy.

C. Enforcement on Non-Dedicated Streets

(1) City and State traffic codes may be enforced on non-dedicated streets with unrestricted public access. This includes the following:

- Housing projects
- Condominium complexes, and similar developments
- Any street that is open to the public for vehicular traffic

(2) Prior to issuing an Arizona Traffic Ticket and Complaint (ATTC) for traffic control sign violations occurring in these types of locations, employees will ensure the words CITY OF PHOENIX are imprinted on the bottom of the sign.

(3) Any private road restricting public access by sign or guardhouse is not subject to traffic enforcement other than driving under the influence (DUI), hit and run, or reckless driving.

D. Out-Of-State Student - Out-of-state students enrolled with seven or more semester hours in this state in a publicly funded or private educational institution should not be cited for having an out-of-state driver license or vehicle registration.

(1) The driver license/registration must be current.

(2) This also applies to students on semester breaks and summer vacations

2. **REGISTRATION**

A. General Guidelines - Violators who are cited or warned for a registration violation will be advised they are subject to another citation for the same violation should they continue to drive the vehicle on the roadway.

B. Enforcement Procedures:

| | |
|--|-----------------------|
| (1) Registration Display ARS 28-2158C | • Cite only the owner |

3. **DRIVER LICENSES**

A. **General Guidelines**

- (1) **Violators** - Violators who are cited or warned for a driver license violation will be advised they may be cited for the same violation should they continue to drive a motor vehicle.
- (2) **Military and Military Dependent Exemptions**
 - (a) **Active-Duty Military** - Active-duty military members transferred to Arizona need not obtain an Arizona driver license if they have a valid CURRENT driver license from their home state or the District of Columbia.
 - Some states, like Arizona, provide active duty military personnel with special licenses that do not expire until after discharge.
 - In accordance with [ARS 28-3171](#), the Arizona operator or chauffeur license of active-duty military members does not expire until six months from the date of their discharge from military service.
 - Arizona does not recognize a driver license issued to U.S. military personnel by the military or a foreign country. However, returning military personnel will be allowed to drive on such a license directly from the port of entry to their assigned base.
 - (b) **Military Dependents**
 - The active duty military exemption does NOT apply to military dependents.
 - Military dependent are required to obtain an Arizona driver license as soon as they become residents.
 - The Military Spouses Residency Relief Act of 2009 (MSRRA) does not affect whether a spouse must get a driver license in a non-domiciliary state. This is entirely a function of state law. [ARS 28-3152](#) has not been amended or changed to specifically exempt military dependents.

B. **Enforcement Action:**
