4. D. Registered and Operable Vehicles on Residential Lots (Civil), [PCC 36-161](#)

- (1) Any vehicle parked on a residential lot, visible from beyond the lot boundary, must be operable and have current registration.
- (2) Routine violations will be the responsibility of the City's Planning Department, Zoning Information Division.
 - Zoning personnel will request assistance from officers when confronted with hostile or uncooperative property owners.
 - Officers may issue an ATTC at the request of a zoning inspector.
 - If the zoning inspector determines a zoning ordinance is more appropriate than the City Code, the officer will issue an ATTC and/or write a Case Report (CR) as appropriate.
 - Zoning personnel will provide officers with the necessary information to complete the ATTC and CR.
 - Officers will not tow vehicles in violation.
- (3) This is not applicable to off road vehicles.

E. Posted Parking Lots/Areas, [PCC 36-144A](#)

- (1) Officers may issue an ATTC on complaint if the owner/operator is present and the lot is properly posted and meets the requirements listed in PCC 36-144B.
- (2) Officers will not utilize a contract wrecker for tows from such lots.
- (3) The owner of the parking area must call the wrecker listed on the required sign.
- (4) The owner of the parking area can have illegally parked vehicles towed without any citations or reports being issued.
- (5) Tow truck operators must have one of the following:
 - Permission from the vehicle owner
 - A request from a law enforcement agency
 - A written tow order signed by the property owner/agent

F. Non-Posted Parking Lots/Areas, [PCC 36-144H](#)

- (1) This is not a citable offense as the owner of the private parking lot/area gives implied consent to unrestricted parking unless posted signs are in accordance with PCC 36-144B.
- (2) Tow truck operators cannot tow a vehicle from a private parking area unless the proper signs are posted.
- (3) No action will be taken by police employees.
- (4) Owners should be advised to post their lots.

4. F. (5) Lot owners may have an abandoned vehicle towed from their lots at their own expense, however:
 - The vehicle must be left for more than 15 days to be considered abandoned.
 - The tow truck operator must have the towing order in possession.
 - The real property owner or his agent will sign the towing order which will list the specific vehicle to be towed.
 - Unlike posted lots, the order cannot authorize the tow of an unknown vehicle at a future date.
- (6) A wrecker will not be called by police employees.
- G. Illegally Parked Vehicle on a Public Thoroughfare
 - (1) Illegally parked vehicles on a public street, per [ARS 28-871/874](#), may be towed if a hazard exists.
 - (a) A check through Arizona Crime Information Center (ACIC)/National Crime Information Center (NCIC) will be conducted to verify the vehicle is not an outstanding stolen.
 - (b) The officer will run a registration check to determine the registered owner.
 - (c) An Information Channel dispatcher will attempt to contact the owner.
 - If the owner cannot be contacted or the owner was initially contacted and the vehicle has not been moved, employees will request a contract wrecker for an immediate tow.
 - Employees will stand by for the wrecker and follow the procedures outlined in [Operations Order 7.5.05, Towing and Wreckers](#), sections 5 and 6.
 - (2) An NOV is not required.
- H. Inoperable Vehicle on a Public Right-of-Way, PCC 36-162
 - (1) For purposes of this order, an inoperable vehicle is defined as any vehicle that is incapable of moving under its own power and not merely temporarily disabled or being repaired.
 - (2) Employees will check the vehicle through ACIC/NCIC.
 - (a) An NOV should be issued if current ownership can be established.
 - (b) If current ownership cannot be established, a citation is not required.
 - When making registration checks of vehicles displaying handicap plates, enter the plate with "WC" for a registration check only.
 - Enter the plate without "WC" to determine if it is a reported stolen vehicle.
 - (3) Employees will request a contract wrecker for an immediate tow unless the owner is present and able to remove the vehicle.
 - Employees will stand by for the wrecker and follow the procedures outlined in [Operations Order 7.5.05, Towing and Wreckers](#), sections 5 and 6.

4. I. Unattended Operable Vehicle on a Public Street

- (1) Any operable vehicle left unattended on a public street or public right-of-way for 48 hours, or on public property for 72 continuous hours, may be considered abandoned and is subject to seizure under [ARS 28-4801](#) and [ARS 28-4834](#).
- (2) In on-view situations or on a first complaint, the following procedures will be used:
 - (a) The license and vehicle identification number (VIN) will be checked through ACIC/NCIC.
 - If the VIN tag has been removed or altered, the vehicle will be towed/impounded following the procedures outlined in TM6-00 Stolen Vehicle Response plan, section 6.C.
 - (b) The owner of the vehicle will be contacted and advised to remove the vehicle.
 - Employees will not advise owners that moving the vehicle a few feet either way will prevent the vehicle from being towed/impounded.
 - (c) A Vehicle Removal Notification and Unattended Vehicle Check form (“red tagged”) will be completed and affixed to the vehicle’s rear window.
 - Results of a registration check and whether or not the owner was contacted will be noted on the tag.
 - Vehicle tires will be marked with a traffic crayon across the tread.
 - (c) Employees will ensure the call is assigned a 917 radio code and a disposition code of “1”.
 - Employees will complete a Field Interview (FI) ensuring all pertinent vehicle information is included.
- (3) Employees should recheck the abandoned vehicle 48 to 72 hours later (based on the information on the Vehicle Removal Notification and Unattended Vehicle Check form) and check the license and VIN through ACIC/NCIC again.
 - (a) If the information regarding the registered owner was not initially obtained due to MVD being down, etc., employees will obtain a registration check and contact the owner.
 - If the owner cannot be contacted, or the owner was initially contacted and the vehicle has not been moved, employees will request a contract wrecker for an immediate tow.
 - Employees will stand by for the wrecker and follow the procedures outlined in [Operations Order 7.5.05, Towing and Wreckers](#), sections 5 and 6.
- (4) A CR or parking citation is not required.
- (5) If the owner arrives during the tow, and is prepared to move the vehicle immediately, the vehicle will be released.
 - (a) If the wrecker is at the scene, the employee will mark the wrecker bill as a “dry run” and sign the wrecker bill.
 - (b) The employee may cite the vehicle owner for [PCC 36-147](#).
