A Message From **Mayor Mickey Sandifer**

Dear Shawnee Residents,

Every holiday season, our community shows what it means to be a Hometown with Heart. Since 2006, you've donated more than $339,000 to the Mayor's Christmas Tree Fund to benefit local charities. This year, I'm proud to highlight two organizations that share a building on 75th Street and serve our neighbors in different ways.

Mercy & Truth Healthcare Ministry is a faith-based health center that provides primary care to uninsured and underserved families. That includes preventive care, well-child exams, acute and chronic care, full lab services, and much more. It accepts Medicaid and Medicare and offers sliding-scale fees. Healthcare teams work with patients to create a path toward lasting wellness.

Pharmacy of Grace is Kansas's only standalone charitable pharmacy. It serves families in need by providing deeply discounted medications. Pharmacy of Grace aims to break the cycle of poverty, homelessness, and unemployment caused by unmanaged chronic conditions. Since opening its Shawnee location in July, Pharmacy of Grace has already provided help to hundreds of people in our area.

While these two organizations provide different services, they are both committed to creating and maintaining a healthier Shawnee. Here's how you can support their missions:

- Donate online at **cityofshawnee.org/MCTF** to support the Mayor's Christmas Tree Fund.
- Or mail a check to: **City of Shawnee Mayor's Christmas Tree Fund, 11110 Johnson Drive, Shawnee, KS 66203.**

Throughout the years, I've seen local groups do amazing work, thanks to contributions made during the Mayor's Christmas Tree Fund. Please share this message with a friend or neighbor and help these organizations make a difference. I appreciate your generosity.

Sincerely,

Mickey

Mayor Mickey Sandifer

Snow Squad

Shawnee's Snow Squad is here to help! We clear driveways and sidewalks for neighbors who need it. Want to join or volunteer? Contact Elizabeth Griffith at 913.742.6244 or egriffith@cityofshawnee.org.

ARE YOU READY FOR A **FLOOD?**

Flooding can happen when we least expect it. Check with your insurance agent to ensure your home owners policy covers floodwaters, most insurance policies do not cover flood damage.

Is Your **Property** in a FEMA Floodplain?

Shawnee's Public Works Department can answer floodplain questions and provide a link to FEMA's floodplain map service. Contact Public Works at 913.742.6009 for floodplain questions.

Track Snow-Clearing Progress During **Snow Events**

Wondering when your street will be cleared during a snow event? Visit **cityofshawnee.org/snow** to check snow-clearing progress and view the City's Snow Priorities Map, which shows which streets are serviced first.

During snow events, crews prioritize major roads before moving into neighborhood streets. This approach helps keep the City's transportation network safe and passable while managing snow-removal operations efficiently.

We appreciate your patience as crews work through their routes. Please wait until drivers have had time to complete their full routes before reporting a street as missed. Once snow-removal operations are complete, if your street still needs attention, you can submit a request through the City's Citizen Service Request system or call the Snow Hotline at 913.742.6097.

Our crews are working as quickly, safely, and efficiently as possible. We need them to stay safe so they can make the streets safe for you!

Neighbors Helping Neighbors

"Neighbors Helping Neighbors" matches the needs of some with the willing hands of others. This volunteer program aims to help with common homeowner tasks that become more difficult due to physical limitations of age or disability.

- Trash removal
- Yard Maintenance
- Snow removal
- Lawn mowing
- Exterior painting
- Raking leaves
- Trimming branches
- Changing light bulbs
- Turning mattresses

More Room to GIVE

Sylvia Terry shows off the new 1,100 square foot covered storage area at Shawnee Community Services, providing additional space to process donations and store items for longer periods.

Every day, about 150 families visit Shawnee Community Services (SCS) for help. Empty nesters, young families and people from all walks of life turn to SCS when they need a little extra support.

Whether they need food, clothing or help with utility bills, SCS provides assistance to residents in Shawnee and throughout the Kansas City metro area.

Now, SCS has more room to serve those families. A new covered storage area has transformed the space that once housed only a dumpster into a place where volunteers can sort, process and protect donated items.

"The space gives volunteers an area to process donations while also preserving items," said SCS President/CEO Sylvia Terry.

The new storage area was made possible through funding from the City of Shawnee's Community Development Block Grant (CDBG) program, a federal program that supports services for low- and moderate-income residents.

Community members can help stock SCS's "garage sale" shelves by donating gently used items. Proceeds from the sales help fund SCS assistance programs.

HOLIDAY SHOPPING
SAFETY TIPS

Keep these safety tips in mind during this holiday shopping season. Remember that thieves are doing their shopping as well.

- Secure merchandise in the trunk or rearmost part of your vehicle, out of sight from the passenger doors and windows.
- Remain vigilant of your surroundings when walking to and from your car. Keep your head up and have your keys ready to enter your vehicle without being distracted.
- Keep purses and wallets on your person at all times.
- Avoid carrying large amounts of cash with you.
- Monitor your banking and credit card statements for any fraudulent charges.

PROPERTY CHECK
Protect your home while you're away

The holiday season is just around the corner! If you're planning to travel, make sure to sign up for the Police Department's Property Check Program.

While you're away, officers will periodically inspect the outside of your home for any signs of suspicious activity. If they notice anything unusual, they'll take appropriate action and inform you.

To sign up, simply fill out the Property Check form at cityofshawnee.org/Property_Check a few days before you leave. This free service helps ensure your home stays secure while you're traveling.
