A Message From **Mayor Mickey Sandifer**

Dear Shawnee Residents,

This year we are celebrating two remarkable milestones: Shawnee's 170th birthday and America's 250th birthday. This is a tremendous opportunity to reflect on the people and spirit that have shaped our community and nation.

The story of Shawnee is deeply rooted in the story of America. Long before our City was incorporated in 1856, this land served as a home to Native peoples, a crossroads for exploration and trade, and a gateway to new beginnings. Trails, missions, and pioneers all left their mark on the community we proudly call home today.

America's 250th birthday is a celebration of the ideals that guide us: freedom, civic responsibility, and a belief that communities thrive when people work together. These ideals are alive and well in Shawnee.

Shawnee is a place where neighbors step forward to serve and invest in one another. From the citizens who founded the Shawnee Historical Society in 1966, to the dozens of volunteers supporting our programs and services, Shawnee has long been a Hometown with Heart.

That commitment lives on through Shawnee Town 1929. What began 60 years ago as a grassroots effort to save a historic structure has evolved into one of the area's most valuable educational resources. Shawnee Town 1929 offers exhibits, tours, and programs to connect visitors with those who came before us.

We are celebrating a shared history and a shared future. The generations before us built a community of character and compassion. It is our privilege to carry that legacy forward.

Sincerely,

Mickey

Mayor Mickey Sandifer

CODES CORNER

FALL YARD CLEANUP!

As we head into fall, taking care of your yard now will save you time when spring rolls around!

CLEAN OUT DEBRIS
Keep your yard free of fallen leaves, weeds, or branches so critters don't settle in for the winter months. Pay attention to flower beds, too!

TILL THE VEGETABLE GARDEN
Remove old vegetable plants to prepare your garden for next spring!

TRIM BRANCHES
Keep an eye on any branches that may get too heavy and break with snowfall. Trim if necessary.

CLEAN YOUR GUTTERS
Not all fall cleanup is in the yard!

DRY THINGS OUT
Drain all water from hoses and irrigation systems to prevent freezing.

AERATE
Use a garden fork to break up hard soil and allow water to drain.

FEED THE LAWN
Fertilizer isn't just for spring! Using a fall fertilizer will help your lawn come back better than ever in the warmer months.

RAKE AND MULCH
Don't let your leaves suffocate your lawn.

PRUNE TREES AND SHRUBS
Don't bite off more than you can chew. Prune your trees and shrubs now so new growth can develop quickly in the spring!

Only Rain Down the Drain

Improving stormwater quality is good for all life in Shawnee, down to the plants and animals! To keep us and our critters healthy, let's work together to keep harmful pollutants out of our waterways. Never dump or discharge the following items into a creek, stream, curb inlet, or roadside ditch to avoid a code violation and harm to the environment:

- Automotive fluids
- Paint, cleaning supplies, or other household chemicals
- Pet waste
- Trash/litter
- Yard waste including leaves and grass clippings
- Fertilizer or weed killer
- Swimming pool and hot tub discharge

Neighbors Helping Neighbors

"Neighbors Helping Neighbors" matches the needs of some with the willing hands of others. This volunteer program aims to help with common homeowner tasks that become more difficult due to physical limitations of age or disability.

- Trash removal
- Yard Maintenance
- Snow removal
- Lawn mowing
- Exterior painting
- Raking leaves
- Trimming branches
- Changing light bulbs
- Turning mattresses

Back-to-School **Safety Tips**

School is in full swing! Take a moment to review these important safety reminders with your children—especially if they walk or bike to school.

For Walkers

- Use sidewalks whenever available. If there is no sidewalk, walk facing traffic.
- Always look both ways before crossing the street.
- Cross at crosswalks or intersections.
- Make eye contact with drivers before crossing to be sure they see you.

For Bicyclists and Scooterists

- Always wear a properly fitted helmet.
- Ride on the right side of the road, in the same direction as traffic.
- Ride in a single file when with others.
- Stop and look both ways before crossing the street. Walk your bike across intersections.

For Drivers

- Stay alert in school zones—slow down and watch for children.
- Avoid distractions like cell phones or adjusting the radio.
- Never pass a school bus when its stop sign is extended—this applies to traffic in both directions.

MOTORIZED SCOOTERS AND UNICYCLES

Motorized scooters and unicycles are subject to the same regulations as motorized skateboards in Shawnee and must comply with all applicable laws.

Key Rules for Riders:

- Riders may only operate these methods of transportation on sidewalks.
- They MAY NOT be ridden in the street, except when crossing a street or highway.
- Always yield to vehicles and pedestrians before crossing.
- Travel on the right side of the sidewalk and yield to pedestrians.
- Riders UNDER 18 MUST wear a helmet when using a motorized skateboard, scooter, or unicycle.

Reminder:

- Bicycles propelled by human power are permitted on sidewalks, bike lanes, trails, and roadways. Riders must follow all rules of the road when operating on the roadway.
- Electric-assisted bicycles are permitted on roadways and trails. Motor-powered bicycles may be operated only on roadways. Both must follow all rules of the road.

Safe Online Exchange Location

Buying or selling something online? Skip the guesswork and meet at a safe, secure location! The Shawnee Police Department offers two bright green Internet Exchange parking spots at 5850 Renner Road, designed to give you peace of mind.

- The parking spots are video monitored 24/7, year-round.
- While video is recorded, the feed is not actively monitored at all times.
- If you need police assistance, call 911 or go inside the Police Department lobby.
- You may also complete exchanges in the Police Department lobby, which is open 24 hours a day, 365 days a year.
