On Friday, January 21, 2022, at 1:06 p.m., San Bruno Police Officers responded to the 1100 block of El Camino Real, on a report of an attempted robbery of a jewelry store. Responding Officers learned that a group of approximately five males approached the store, which is located inside of the mall. One of the males pulled out a crowbar and entered the business. The store owner yelled at the male to stop. The male then smashed a glass display case with the crowbar and turned toward the store owner, raising the crowbar as if to hit him. The store owner, who possessed a lawful concealed carry permit, drew a firearm and pointed it toward the male suspect while telling him to stop. The male suspect ran away toward the food court area of the mall. Another male suspect from the group that was standing near the entrance to the store then pulled out a gun and pointed it at the store owner. The store owner raised his own firearm and pointed it at the male suspect with the gun. The male suspect with the gun and the other males in the group turned and ran away towards the JC Penny department store. Fortunately, there were no injuries or firearms discharged in this incident.

The suspects were described as males in their teens to early 20's:

Suspect-1: Black male, 5'5 tall, 130 pounds, wearing a black jacket, gray jeans and a green backpack
