- B. Non-exempt employees must be paid for all hours worked in accordance with the FLSA and Kansas law.
- C. Though paid, an employee may be disciplined for working unauthorized overtime.
- D. Exempt employees may have work hours which fluctuate from week to week. They receive a fixed salary regardless of the hours they work in a work week.
- E. Work schedules for Sheriff Office employees vary. The exact hours employees work each day will be arranged by their supervisor.
- F. All job descriptions will be reviewed by Human Resources for correct grade assignment and FLSA classification (exempt/non-exempt).
- G. All positions will be assigned a grade except for contract, elected, part-time and temporary employees.
- H. New hire wage rate for Civilian & Clerical Positions:
 1. The hiring wage rate is the minimum of the position's salary grade. The County Manager may approve up to ten (10) percent above minimum.
 2. All requests to hire above minimum must be submitted to Human Resources and will be reviewed by Human Resources, Budget, and the County Manager for merit, equity, and funding.
 3. Hiring wage rates more than ten (10) percent above the grade minimum and any additional benefits will require approval from the BoCC.
- I. Lateral Transfers
 1. Exceptions to the above hiring practices are those applicants who may qualify for Lateral Transfer to the Commissioned Deputy or Detention Deputy positions.

Applicants for the Commissioned Deputy or Detention Deputy positions may be hired as a Lateral Transfer. A review of the applicants work history as a law enforcement officer or as a corrections/detention deputy

may allow for the employee to be hired and receive pay above step 1 on the approved salary schedule. The Sheriff will be responsible for all approvals for lateral transfers to be placed above step 1 on the salary schedule. The maximum pay scale step for lateral hires is step 5.

2. Newly hired lateral transfers who have been former employees of the Sedgwick County Sheriff's Office, and who do not qualify for "Reinstatement" as noted in this policy may be eligible to receive their seniority back after successfully completing one full year of employment.
3. Seniority will be calculated by adding the entire time the employee has been employed by Sedgwick County Sheriff's Office. Time not with Sedgwick County Sheriff's Office will not be included in calculating the employee's seniority.
4. Vacation/sick leave accruals will be calculated the same as newly hired employees.
5. Newly hired Commissioned Deputies that have been commissioned from a different state, must complete the Kansas out of state mandatory academy through KLETC to receive their Kansas Commission.

J. Rehire outside of 121 days

1. The hiring practice for former Commissioned and Detention employees who have not been employed by the Sheriff's Office for more than 121 days, and who are not currently working as a commissioned law enforcement officer (Commissioned Deputy position) or who are not currently working as a corrections/detention deputy (Detention Deputy position) will be the same hiring process that exists for new applicants.
2. A review of the applicant's work history as a law enforcement officer or as a corrections/detention deputy may allow for the employee to be hired and receive pay above step 1 on the approved salary schedule.

Based on the scale below the employee's starting wages will be determined.

Completed years of service.

- 1 year - Step 1
- 2-3 years - Step 2
- 3-4 years - Step 3
- 5-6 years - Step 4
- 7+ years - Step 5

The Sheriff will be responsible for all approvals for lateral transfers to be placed above step 1 on the salary schedule. The maximum pay scale step for lateral hires is step 5.

3. Seniority will be calculated by adding the entire time the employee has been employed by Sedgwick County Sheriff's Office. Time not with Sedgwick County Sheriff's Office will not be included in calculating the employee's seniority.
4. Vacation/sick leave accruals will be calculated the same as newly hired employees.

K. Reinstatement wage

3. When an employee is reinstated, any applicable salary increases that occurred during the time of separation will be given as if the employee had not left employment.

L. Returning from military service wage

1. In the event of the return to duty of an employee who left because of serving in the Armed Forces, the employee shall be placed at the same salary grade and same rate of pay as when he/she left, including any applicable salary increases. If a performance evaluation was not completed, due to the employee's absence, the employee will receive the increase.

M. Demotion

1. Demotion for disciplinary reasons will result in a pay decrease. The amount of the pay decrease is at the discretion of the Sheriff.

N. Position reclassification

1. A position reclassification should be requested when a major change in the position content occurs, or when the incumbent in the position relinquishes or assumes substantial responsibilities.
2. Human Resources will place each position in the appropriate grade.
3. Reclassifications will be analyzed by Human Resources, Budget, and the County Manager for merit, equity, and funding.
4. The BoCC must approve all reclassifications increasing the grade of a position or decreasing the grade of a filled position.
5. Salary Placement:
 - a. Over maximum pay will be included in reclassification salary calculations.
 - b. If, because of a reclassification request, a position is changed to a higher grade, and the incumbent's current salary is below the new grade minimum, the incumbent's base salary will be moved to the new grade minimum or the incumbent will receive an increase of six (6) percent, whichever is greater.
 - c. When the current base salary is above the new grade minimum, the pay increase will be based on placement in the new grade compared to midpoint and will be determined as follows: If the incumbent's current salary is below the new midpoint, the employee may receive a six (6) percent salary increase.
 - d. If the current salary is above midpoint, the employee may receive a two (2) percent salary increase.
6. The Sheriff may make a recommendation based on a comparison of incumbents assigned to the same pay grade, total increase not to exceed six (6) percent.
 - a. If an incumbent relinquishes substantial responsibilities, a reclassification may result in the position being changed to a lower grade. If the incumbent's base salary is above the maximum of the new pay grade, the base salary may be frozen (unchanged) or moved to the new maximum.

O. Interim Assignment or Acting Assignment Appointment Pay

1. Interim Assignment - An employee can be assigned to a position of greater responsibility for a period of up to two (2) years and will be paid consistent with that position. The employee may be placed at the new

salary grade or range minimum, or if current salary placement is in the new grade or range, up to six (6) percent. Over maximum pay will be included in interim assignment pay calculations.

- a. Employees on a step plan will be moved to the step that provides at least a six (6) percent increase within the new range.
 - b. All requests should be submitted to the Division of Human Resources and should include:
 - i. the anticipated length of assignment.
 - ii. the rationale; and
 - iii. plan to end the interim assignment.
 - c. The request will be analyzed for merit and equity and reviewed by Budget for funding with final approval from the County Manager.
 - d. Annual increases will be applied to the employees' base pay and interim assignment pay.
 - e. When the employee's interim assignment is complete, the employee's salary will revert to the salary prior to the interim assignment. Any annual increases will be reapplied.
2. Acting Assignment - An employee can be assigned additional job responsibilities or duties while remaining in their current job classification. The employee may be given a temporary compensation adjustment of up to six (6) percent.

 - ii. the rationale for the need; and
 - iii. plan to end the acting assignment.
 - b. The request will be analyzed for merit and equity and reviewed by Budget for funding with final approval from the County Manager.
 - c. Annual increases will be applied to the base salary and the acting assignment pay.
 - d. When the acting assignment is complete, the employee's acting assignment pay will end.

P. On-call time

1. Exempt employees are not eligible for on-call pay.
2. Non-exempt employees may be eligible for on-call pay depending on the employee's freedom while on-call. If the employee must remain on the employer's premises or so near that he/she cannot use the time freely, the time is compensable. An employee who is required to remain on-call at home, or who is allowed to leave a message where he/she can be reached, is not working (in most cases) while on-call. Additional constraints on the employees' freedom could require this time to be compensated. On-call time shall be paid in accordance with the FLSA.
 - a. By example, an employee who must remain within a defined radius of the employer's property is working while on-call; the restriction on the employee's movements is a significant infringement on his freedom to use and enjoy his time. By contrast, an employee who is not required to remain on the employer's premises or at a fixed location, but only required to be available to report for work should his services be needed, is not working while on-call. Accordingly, an employee who is authorized to travel freely within a community and merely required to carry a cellular phone during periods in which he/she is away from the office is considered to be not working while on-call; carrying a cell phone is a minimal restriction on their freedom.

Q. Call back time

1. An employee who has left their normal place of work for the day or is not working that day and is called back for work shall be paid a minimum of two (2) hours.

R. Overtime will be granted in compliance with the procedures set out in the [Fair Labor Standards Act \(F.L.S.A.\)](#) and the supplemental regulations as they apply to law enforcement personnel.

1. Only hourly employees are eligible for overtime.
2. For calculating overtime benefits, a "pay period" is a period of time coinciding with the bi-weekly payroll period used by Sedgwick County and begins at 12:01 A.M. Sunday and goes through 12:00 midnight on the second subsequent Saturday.

S. Non-exempt employees may be granted compensatory time in compliance with the procedures set out in policy, the F.L.S.A. and supplemental regulations as they apply.

1. Employees working a forty (40) hour work week may accrue a maximum of sixty (60) hours of compensatory time. Employees working a forty-two and one half (42 ½) hour work week may accrue a maximum of sixty-three and three quarters (63 ¾) hours of compensatory time.
2. Hours in excess of the established compensatory maximums will be paid at an overtime rate.
3. Extra duty hours worked, not adjusted during a pay period, may be placed in the compensatory bank at the request of the employee.
4. Compensatory time will bank at one and one half (1 ½) time the hours worked.
5. Non-exempt employees promoted to an exempt position will be paid for the remaining compensatory time.
6. Employees leaving employment with the sheriff's office will be paid for their unused compensatory time in accordance with F.L.S.A. guidelines.
7. Compensatory time may not be transferred to cash nor applied to employee out of pocket benefits unless set forth herein or required by law.
8. All compensatory time will be maintained in accordance with the formal time administration system. No informal, off the books system shall be maintained by any division.
9. No retroactive compensatory time is permitted.
10. Employees wishing to use compensatory time must make their request as outlined in Sheriff [General Order 22.1 E.](#)

- 1. When occupying an eligible job classification in a department requiring staffing between 6:00 pm and 6:00 am.
- 2. An eligible job classification working for the Sheriff's Office and requires the employee direct services to citizens.
- 3. Shift pay will not be paid on leave or nonworking time.
- 4. Hourly employees will have shift pay hours calculated based on time worked as recorded in e-timesheet.
