

STRATFORD POLICE DEPARTMENT 	Type of Directive: Policy and Procedure	Updated: 06/23/2022
	Title: Uniform and Equipment Specifications	No. 13.3
	Issuing Authority: Chief Joseph McNeil	Issued: 07-09-2020
	Reference: AS - 3.5.3 History – 13.2.4	

PURPOSE:

The purpose of this policy is to establish a set standard for uniform make/model/description to be worn by members of the Stratford Police Department.

POLICY:

It shall be the policy of the Stratford Police Department that sworn officers wear the approved uniforms set forth in this policy. Uniform inspections will be at the discretion of shift commanders.

PROCEDURE:

It shall be the procedure for the Stratford Police Department to regulate the make, model and manufacturer of uniforms to be worn by sworn officers and animal control officers. This policy will also set a standard of acceptable clothing to be worn by non uniform personnel in order to ensure a professional appearance.

Uniform and Equipment

The following list will constitute the uniform and equipment required upon appointments and which must be maintained in good serviceable condition at all times. These items are subject to inspection to ensure they are serviceable and in compliance with policy and procedure.

Those items indicated by an (*) will be issued by the department and will remain departmental property subject to recall. Normal repairs and/or replacement of departmental property will be at the department's expense, unless personal carelessness is evident. In this case, the individual will be held responsible.

Wearing the Uniform

Authorized Summer/Winter uniforms worn by all officers will be at the discretion of the individual year-round. This does not apply to the wearing of the Class A Uniform for ceremonies or events per the Chief or Deputy Chiefs of Police.

The uniform hat will be worn at the direction of the supervisor for special details and assignments. The hat will be carried with the officer for those times it is needed.

When wearing the uniform hat, it will be placed on the head in such a manner that the hat brim is approximately one and one-half inches above the bridge of the nose. At no time is the hat to be worn on the head in a "cocked" position or in any manner that is unmilitary.

The baseball style hat currently used for road jobs may be used for patrol. The current black knit and fur cap is also authorized for patrol duty in the winter only.
