E. Case Name: _____

Instructions: Condense the finding rationale for each allegation relative to the child victim(s). Be sure to identify the facts that provided a basis for the classification decision.

Summarize the key points and dates of the child or children's statements and/or the observation of the child or children's physical state or home environment:

Summarize professional, medical or psychological findings or opinions: What is the witness's or the collateral's oral or written finding/opinion of the incident(s)/allegation(s)?

Summarize alleged perpetrator's statement or admission: What is the perpetrator's explanation of the incident(s)/allegation(s)?

Summarize witnesses' descriptions of what they saw and what they believe substantiates child abuse/neglect:

Summarize any other evidence or factors that support the investigative finding(s) for the allegation(s) of abuse/neglect:
