Home Safety Checklist

The Home Safety Checklist is to be completed by the Foster Parent Support, Placement Services Division, or Contract Agency staff person in conjunction with the Foster Family who is/will be responsible for the care of State of Tennessee custodial children at the time of approval and during each re-assessment of the home.

DCS staff/Contract Agency staff who are responsible for maintaining resource home case records are to ensure that the completed form is reviewed with the family and the original copy placed in the Foster Home case record.
