Dear \_\_\_\_\_,

This letter is to inform you that your foster home is being closed in good standing for the following reason:

We appreciate your service as a foster parent to the children of Tennessee. If you desire to reopen your home again in the future, please feel free to contact us to determine next steps.

We ask that you consider providing DCS with feedback on your fostering experience. Feedback can be provided through the survey link or QR code below.

Survey results will remain anonymous and be reviewed by Regional and Central Office leadership in an effort to inform and improve the agency's practice.

Again, we appreciate your service, investment, and commitment to the children and families we serve and wish you the best.

Sincerely,
