NOTICE:

This form is completed for all Fire Watch Events as required in [Protocol for Youth Development Center Fire Impairment](#). The Officer in Charge appoints one staff member to be the dedicated FIRE WATCH person. This person should have at least two (2) means of communication (ex. Portable radio and access to a phone). From the time the Fire Watch starts until it ends, the appointed staff logs the status of the fire in thirty (30) minute increments. This log is filled in completely for the entire Fire Watch duration then turned into the Facility Safety officer at the end of each shift.
