## Procedures:

### A. Requirements

No later than thirty (30) days after a child has been placed on trial home visit with a parent or other relative, the Family Service Worker must contact the family in writing to assist them in applying to become the child's social security representative payee to ensure that there is no disruption of payment.

### B. How relatives should file to become representative payee

1. The Family Service Worker must provide the parent or relative with a completed **CS-0568, Trial Home Visit Authorization to File for Representative Payee Designation** form.

2. The parent or relative must present form **CS-0568** to officials in the nearest Social Security office in order to apply to become representative payee for the child.

**C. Termination of trial home visits**

1. 2. After notification of disruption, the Department of Children's Services will continue to conserve the child's funds and use for the future expenses of the child.
