

2.407 CONTRACTOR'S REQUESTS FOR SERVICES

- A. All business entities that provide contract or sub-contract work to Towson University must request and coordinate special requests for TU Police assistance or services through their designated on-campus contract managers, such as Facilities Management, Environmental Health and Safety, Housing and Residence Life, etc. These types of special services include, but are not limited to unlocking doors, blocking roads, directing traffic, etc.
- B. This procedure does not apply to certain contractors to the university, SUCH AS THOSE WHO PROVIDE FOOD SERVICES AND JANITORIAL SERVICES THAT have pre-established regular lines of communication with the university and the police.
