REGULATION AND PROCEDURE

I. General Information

A. Effective September 1, 2005, State law required TWU to pay a monthly pension surcharge for an individual who retired from TRS after August 31, 2005 and who returned to work in a benefits-eligible position. For these retirees, TWU must also pay the state health benefit premium for a retiree in a benefits-eligible position and his/her dependents covered under TRS-Care health coverage. TRS-Care is the group health benefits program administered by TRS for public school retirees.

B. The premiums described above do not apply to a TRS retiree:

1. Who retired prior to September 2005, or
2. Who is working less than half-time

- C. Because of the increased costs of employing certain TRS retirees, a documented exception must be approved by the appropriate Vice President/Provost and the Vice President for Finance and Administration prior to offering a benefits eligible position to a TRS retiree who retired September 2005 or later.

II. Procedure

- A. Prior to making a job offer, the hiring supervisor must:
 - 1. Contact the Office of Human Resources to determine the amount of the TRS Care Surcharge.
 - 2. Complete the Return to Work Retiree Surcharge Authorization Form.
 - 3. Forward the forms to the appropriate VP/Provost for approval.
- B. If a hiring exception has been approved by a VP/Provost and the VP for Finance and Administration, a copy of the TRS Data Form (for TRS-Care enrollees) and the Return to Work Retiree Authorization Form will be returned to the hiring supervisor and the forms will be forwarded to the Payroll Department.
