Sworn Employee Uniform Regulations

Order
06.103

A. Policy

Sworn uniformed employees will only wear Department authorized uniforms and equipment. No insignia, uniform or equipment items are authorized for wear unless enumerated in this or another Order. Alterations to fit individual body contours are authorized. Uniform and equipment items discontinued for use have a one-year wear out period, or until they are no longer serviceable, whichever occurs first.

Additional insignia, uniform or equipment items may be worn with the Class D uniform when authorized by the Bureau Commander/Manager or another Order. Supervisors are responsible for conducting regular inspections and ensuring all employees maintain a professional appearance in accordance with this Order.

B. General Considerations

1. When in public view, uniformed employees will wear the full uniform and equipment. No portion of the uniform or equipment identifying individuals as a police employee will be worn separately.
2. Employees wearing the Class A, B and C uniforms will wear the appropriate metal or cloth badge, metal nameplate or cloth name tag, shoulder patches and rank insignia.
3. Employees will carry their Department issued commission card while on-duty.
4. Uniforms will be neatly pressed; leather shoes and boots polished; canvass or nylon shoes and boots cleaned; and badges and metal items shined.
5. All uniform shirt and trouser buttons will be buttoned, except the shirt collar button when not wearing an authorized tie.
6. A black or white crewneck t-shirt or black turtleneck or Dickie will be worn, and always visible at the open collar of the uniform shirt.

- a. The black turtleneck or Dickie shall only be worn with a long sleeve shirt and may have "TPD" embroidered in ½ inch gray, block lettering on the left side of the neck.
 - b. The sleeves of the crewneck t-shirt or turtleneck shall not be visible beyond the short sleeve or long sleeve cuff of the uniform shirt.
7. Military style combat blousing of pants and steel toe shoes and boots are prohibited.
8. Plain, solid, black socks will be worn with all uniforms.
 - White bottoms are optional, but no white may be visible.
9. Hats, baseball or boonie caps and beanies will not be worn if faded, soiled or frayed.
 - Beanie caps may only be worn during cold weather conditions.
10. Hats, baseball caps and beanies may be worn indoors when it is necessary to maintain operational readiness, as officers are under arms.
11. Uniforms and equipment will not be worn if faded, soiled or frayed.
 - Patched or repaired uniforms and equipment will not be worn unless the patch or repair is inconspicuous.
12. All high-gloss and polished leather, or synthetic leather, and nylon items on a duty belt will be of similar material and finish.
 - a. High-gloss leather, polished leather or synthetic leather, and nylon will not be mixed.
 - b. Hard-shell items of similar finish may be worn with high-gloss leather, polished leather or synthetic leather, or nylon items.
 - c. Only a high-gloss leather duty belt with high-gloss items of a similar finish will be worn with the Class A uniform.

13. Class A, B and C uniform shirts and trousers will be the same color.

14. A black mourning band may be worn upon line of duty death of a law enforcement officer in Arizona.

- a. The mourning band will fit tightly around the badge, horizontally across the center.
- b. The mourning band will be worn for 30 days from the date of death for a Tempe law enforcement officer.
- c. The mourning band will be worn from the date of death to the conclusion of burial for another Arizona jurisdiction law enforcement officer.

C. Uniform Classifications and Usage

1. The Class A uniform is the formal dress uniform. It is worn for events where elevated formality is required beyond the needs of field operations.
2. The Class B uniform will be worn when the formality of the Class A uniform and operational function of the Class C uniform is not required.
3. The Class C uniform is a functional uniform intended to make field operations more practical and maintenance easier. The Class C uniform is not authorized for commanders and above.
4. The Class D uniform is intended to make unit-specific operations more practical. The Class D uniform can be specific to each unit and is worn with bureau commander/manager approval. The Class D uniform may include additional uniform or equipment items as approved by the bureau commander/manager.
