Recruitment and Selection of Police Division Personnel

I. Purpose: The purpose of this policy is to provide guidance to the University of Cincinnati Police Division (the “UCPD”) regarding the recruitment and selection of law enforcement personnel. For the purposes of this policy, law enforcement personnel includes sworn Police Officers, Security Officers, and Emergency Communication Dispatchers.

II. Policy: It is the policy of the UCPD to recruit, both on and off campus, and hire a qualified and diverse workforce that possesses the skills, knowledge, abilities, and values that align with the mission of the University of Cincinnati (the “University” or “UC”). The UCPD’s recruitment efforts support a workplace that is inclusive of all individuals.

III. Procedure:

A. Approval
   1. The Director of Public Safety must give prior, written approval for any UCPD job posting.

B. Affirmative Action Plan & Equal Employment Opportunity
   1. In conjunction with the Office of Equity & Inclusion, UCPD will develop an Affirmative Action Plan & Equal Employment Opportunity using underutilization analysis for sworn personnel in the UCPD. The plan will be used to assist in the development of the UCPD’s Recruitment Plan.

C. Recruitment Plan
   1. Using the EEO Plan, the UCPD will develop and maintain a Recruitment Plan for sworn positions. The Recruitment Plan will guide the UCPD in its efforts to recruit, hire, and maintain diverse and qualified law enforcement personnel. The Recruitment Plan will contain a statement of objectives and an action plan designed to achieve those objectives. The Chief of Police must provide final approval for the Recruitment Plan.
   2. The Recruitment Plan will be reviewed annually by the Training Section Supervisor and the Central Human Resources Recruiter assigned to the UCPD, as well as any other employee designated by the Chief of Police. The annual review will (1) assess the UCPD’s progress towards the stated objectives, and (2) propose any appropriate or necessary revisions to the Recruitment Plan. The annual review should be completed in writing and submitted to the Chief of Police. Any revisions to the Recruitment Plan must be approved by the Chief of Police.

D. Job Descriptions
Recruitment and Selection of Police Division Personnel

1. The UCPD will maintain a job description that includes the essential functions and the minimum qualifications for all law enforcement personnel positions.

2. Revisions to any law enforcement personnel position job description will be made pursuant to the applicable policies and procedures of the University’s Central Human Resources Department. Revisions to a law enforcement personnel position job description should be made prior to the commencement of recruitment for that position.

E. Selection Process

1. Overview
   a. For purposes of this policy, the term “Selection Process” refers to the process in which the UCPD follows to post a vacant position, evaluate applicants, and make conditional offers of employment to qualified, selected applicants.
   b. All aspects of the Selection Process will be job-related and non-discriminatory.
   c. All elements of the Selection Process will be administered, scored, and interpreted in a uniform manner.
   d. The Selection Process as set forth in this section is a step-wise process. Applicants will only proceed to the next step in the Selection Process if they satisfy the requirements of the previous step. Applicants who do not satisfy the requirements of a step are disqualified from the Selection Process.
   e. The Selection Process applies to all external applicants for all position searches for law enforcement personnel, except as limited or clarified for any applicant who qualifies as an external lateral Police Officer applicant, defined in section F of this policy.
   f. The Director of Public Safety may cancel a position search at any time during the Selection Process, until an applicant has accepted a conditional offer and satisfied its corresponding conditions, except as restricted by University HR policy.

2. Application and Minimum Qualifications Review

Based on their review, the Recruitment Supervisor will approve background investigations that meet the appropriate standards set forth by UC and submit a supervisor summary for all approved background investigations to the Command Staff for their review. Command Staff will make the final determination as to whether an applicant has passed their background investigation.
g. In addition, the UCPD will not hire applicants who have been discharged or resigned following a criminal or administrative determination that they have engaged in acts of dishonesty, excessive force, or racial profiling with any law enforcement agency.
h. All other elements of the background check process in UC Central Human Resources Policy 16.17 (“Policy 16.17.”) will be followed in all aspects not specifically stated in this SOP, including but not limited to, an applicant’s ability to dispute information found in the background investigation.
