Alternative to Detention (AD) is a program that allows a youth to remain in the community under supervision and not be admitted to Secure Detention. The following expectations are requirements for program participation:

1. **Meetings and Court Hearings:** Youth and parent(s)/guardian(s) must attend all court hearings and any other meetings with AD staff or probation officers. Failure to attend court hearings may result in a warrant for secure detention.
2. **Program:** Youth must follow the AD supervision plan and all reasonable requests of their parent(s)/guardian(s), or other approved adult supervisor(s). Youth must obey all local, State, and Federal laws. Youth will follow all orders of the Utah Juvenile Court.
3. **Level of Supervision:** Youth, parent(s)/guardian(s)/approved adult supervisor(s), and AD staff will create a supervision plan based on the youth’s recent behavior in the community, school and home. The flowchart below shows the different levels of supervision, beginning with the lowest level of supervision (Promise to Appear) to the most intensive level of supervision (Youth Services Center).

The supervision plan may increase or decrease based on the youth’s behavior.

4. **School:** Youth must attend school every day that school is scheduled unless excused by a parent(s)/guardian(s)/approved adult supervisor(s). Staff may monitor school attendance by visiting the school, checking attendance records or online monitoring.
5. **Accountability:** Parent(s)/guardian(s)/approved adult supervisor(s) are expected to support and be actively involved with the supervision of the youth and cooperate with AD staff to ensure that rules and orders of the court are followed. All violations of this AD Contract and violations of orders of the Utah Juvenile Court must be reported to AD staff.
6. **Grievance Policy:** The Division of Juvenile Justice Services has a grievance process for youth and parent(s)/guardian(s)/approved adult supervisor(s) to access if they feel their rights have been violated or they believe a condition or action is not fair. The first step of the process is to talk with the AD staff involved to see if the problem can be resolved. If the problem cannot be resolved, the youth or parent(s)/guardian(s)/approved adult supervisor(s) may talk with an AD Supervisor and a formal grievance may be filed.

We understand and agree to the above expectations. We understand that the youth’s behavior, both positive and negative, will be reported to the Juvenile Court. We have read and been given a copy of the “Rights and Responsibilities of Juveniles.”
