11.1.11 Charging for Copies of Health Records

Chapter 11 - Patient Privacy

Original Effective Date: April 2003

Section: 11.1 General and Oversight Policies

Date Last Reviewed: January 2023

Responsible Entity: Chief Compliance and Privacy Officer

Date Last Revised: January 2023

I. Purpose

To set forth requirements and reasonable fees for providing copies of health information as permitted by law.

II. Scope

This policy applies to all faculty, staff, students, residents, healthcare providers, researchers, contractors, or any other individual (collectively, Workforce Member, including employees and non-employees) who has direct or indirect access to patient protected health information (PHI) created, held or maintained by any UT Health San Antonio controlled affiliate, including, but not limited to its clinics, hospitals, and research operations.

III. Policy

UT Health San Antonio is permitted by law to charge a reasonable fee for providing copies of health information to UT Health San Antonio patients. Copies of records of other health care practitioners contained in UT Health San Antonio records may also be made and given to a requestor. Separate fees for medical and billing records requested may be charged.

UT Health San Antonio does not charge patients or their legally authorized representative, except for personal use (for example, copies to take to another health care provider); hospitals; other health care providers, such as nursing homes, physicians, dentists, home health agencies, or schools for continuity or coordination of care.

Health records are disclosed according to section 11.2 Uses and Disclosures of Protected Health Information in the Institutional Handbook of Operating Policies (IHOP).
11.1.11 Charging for Copies of Health Records

There are specific rules that apply to charging for release of psychiatric records. The Department of Psychiatry should be contacted before releasing any psychiatric records.

A. Fees

1. UT Health San Antonio may request that a fee be paid prior to release of information for non-treatment or non-emergent purposes

2. UT Health San Antonio may charge the following reasonable fees for requested services:
   a. For copies of health information, no more than $25.00 for the first twenty pages and a $0.50 charge per page for every copy thereafter will be charged. In addition, a reasonable fee may include actual costs for mailing, shipping, or delivery.
   b. If an affidavit is requested, certifying the information as a true and correct copy of the records, up to $15.00 may be charged for completing the affidavit or deposition. If notary public services are requested for affidavits or deposition questions, a fee of $8.00 may be charged.
   c. For copies of radiology films or other static diagnostic imaging study, a fee of $8.00 per film will be charged. In addition, a reasonable fee may be include actual costs for mailing, shipping, or delivery.

B. Who May be Charged

1. Attorneys, court reporters;

2. Insurance companies for reasons other than payment purposes, such as an individual applying for live insurance benefits or long term disability;

3. Texas Rehabilitation Commission;

4. Social Security Administration; or,

5. Patients or their legal authorized representative for personal purposes.

IV. Definitions

Terms used in this document, have the meaning set forth in the Patient Privacy Policies Glossary unless a different meaning is required by context.
