

## I. 4.2.6 Lactation Support in the Workplace

Chapter 4 - General Personnel	Original Effective Date: December 2015
Section: 4.2 Employee Relations	Date Last Reviewed: December 2024
Responsible Entity: Senior Vice President and Chief Human Resources Officer	Date Last Revised: December 2024

## II. Purpose

As a healthcare institution and in accordance with the federal *PUMP for Nursing Mothers Act* (PUMP Act) and *Texas Government Code, Chapter 619 Right to Express Breast Milk*, UT Health San Antonio) supports activities that contribute to the health and well-being of its employees and their families. Because of this commitment, UT Health San Antonio will provide designated, private rooms for lactating individuals to breastfeed or express milk.

## III. Scope

This policy applies to all lactating employees of UT Health San Antonio who need privacy for breastfeeding or expressing milk while on a UT Health San Antonio campus or in a facility owned, operated, or otherwise controlled by UT Health San Antonio.

## IV. Policy

### A. General Policy

UT Health San Antonio has established designated lactation/breast pump rooms across its campuses and facilities to provide a private and sanitary place for lactating employees to use during work hours. These rooms provide an electrical outlet, comfortable chair, and nearby access to running water. Employees who have a private office may also use that space for this activity in place of a designated room.

### B. Requirements

1. Employees will be provided breaks to accommodate breastfeeding or milk expression but must obtain advance approval from their supervisor before leaving their work area or location to ensure operational requirements are minimally impacted.
2. Time used to breastfeed or express milk should not exceed regular breaks and/or lunch. For time away above and beyond breaks/lunch, accrued leave may need to
