

6.2.2 Leave Accounting

Chapter 6 - Fiscal	Original Effective Date: May 2000
Section: 6.2 Travel Policies and Procedures	Date Last Reviewed: September 2008
Responsible Entity: Assistant Vice President for Business Affairs	Date Last Revised: September 2008

I. Purpose

To establish the requirements of documenting leave during travel for UT Health San Antonio business.

II. Scope

This policy applies to all individuals participating in travel on behalf of UT Health San Antonio.

III. Policy

A. Personal Leave During Official Business Travel

Vacation or other personal leave days taken in conjunction with official UT Health San Antonio (UTHSA) travel must be indicated on the PeopleSoft travel requisition and must be reported on the Travel Voucher. When an employee leaves the duty point for any reason not connected with official duties, the employee must (1) show clearly on the Travel Voucher the date and hour of both departure from and return to the duty point and (2) provide a statement that the absence was for reasons not connected to official duties.

B. Official Business During Personal Leave

Employees away from their headquarters on personal leave who are required by UTHSA to travel to a duty point to conduct official business may be reimbursed for the cost of transportation to the duty point and the return to the personal leave site. A statement on the Travel Voucher that the department head required the employee to travel to the duty point is necessary.

6.2.2 Leave Accounting

C. Return to Headquarters

An employee on a business trip may return to headquarters daily or on the weekend instead of remaining at the duty point if the cost of returning to headquarters is less than or equal to the cost of remaining at the duty point.

IV. Definitions

There are no defined terms used in this Policy.

V. Related References

There are no related documents associated with this Policy.

VI. Review and Approval History

- A. The approving authority of this policy is the University Executive Committee.
- B. The review frequency cycle is set for three years following the last review date, a time period that is not mandated by regulatory, accreditation, or other authority.
