R513-4 Waiver of Resident Tuition

4.1 10% Resident Tuition Waivers: The president of each institution may waive all or part of the tuition on behalf of meritorious or impecunious resident students to an amount not exceeding 10 percent of the total amount of tuition which, in the absence of the waivers, would have been collected from all Utah resident students at the institution.

4.1.1 Of the amounts waived in 4.1, at least 10 percent of total amount shall be used to support tuition waivers for impecunious resident students.

4.1.1.1 Each of the institutions will develop and present a plan to the Board of Higher Education (“Board”) on how it expects to be compliant with 4.1.1. for the reporting cycle beginning July 1, 2021.

4.1.1.2 The Board shall review the percentage set aside for impecunious students every three years beginning July 1, 2024.

4.2 National Guard Set Aside: Of the amount waived for resident students under subsection 4.1, 2.5 percent of the total amount shall be set aside by institutions for waivers reserved for members of the Utah National Guard.

4.2.1 To ensure timely processing, the Utah National Guard Administration will provide to the institutions a prioritized list of qualified candidates for tuition waivers no later than 60 calendar days prior to the start of an academic term. Candidates for Utah National Guard tuition waivers must be full-time students. To ensure the highest number of candidates receive a tuition waiver, institutions may adjust the waiver amount between partial and full amounts.

4.2.2 An institution may, at its discretion and within its established criteria, allow recipients to use tuition waivers toward self-supported courses.

4.2.3 Any National Guard tuition waivers set aside but not claimed 30 days prior to the beginning of the term may be used for other qualified students.

4.3 Partial Tuition Waivers for Critical Occupations: Upon recommendation of the Board, a president shall grant additional full or partial tuition waivers to encourage students to enroll for instruction in specifically identified occupations critical to the state for which trained personnel are in short supply.

4.4 Waivers for Senior Citizens and Veterans: Institutions shall permit Utah residents age 62 and over or veterans as defined in [Utah Code section 68-3-12.5](#) to enroll tuition-free in classes subject to the following conditions:

4.4.1 Institutions may charge an administrative fee.

4.4.2 Institutions may charge course and program fees as defined in [Board Policy R517, *Course and Program Fees*](#).

4.4.3 Institutions may limit enrollment under this section based on existing prerequisites, regular procedures, standard teaching loads, and available classroom space following the enrollment of matriculated students.

4.4.4 Institutions shall not award credit or competencies for courses completed pursuant to this section.

4.4.5 Institutions' enrollment reports shall list senior citizens and veterans separately from matriculated students.

4.7 Tuition Exemption for Teachers

4.7.1 Definitions: As used in this part:

4.7.1.1 “Educator” means an educator is a person currently employed in the Utah public school system who is a licensed educator in good standing or has been issued a letter of authorization permitting such employment under [Utah Code section 53E-6-102](#), the Board Licensure section of the Educator Licensure and Professional Practices Act.

4.7.1.2 “Tuition Waivers for Teachers” means an educator who enrolls in a course of study determined by the State Board of Education to satisfy the professional development requirements of Utah Code section 53E-6-201(3)(b)(i) is exempt from the tuition charges for a class taken as part of that course of study provided that the following conditions are met:

4.7.1.3 “Master’s and Doctoral Degree Candidates” means because of the extensive involvement of faculty members in committees, mentoring, and counseling of master’s and doctoral degree candidates, the concept of surplus space does not apply, and such educators are not eligible for the exemption from tuition under this section.

4.7.2 Administrative Semester Registration Fee: The institution may charge an educator an administrative semester registration fee not to exceed \$100 per semester to cover the actual increased costs associated with registration, verification of educator status, identification of eligible courses, certification of space availability, and record keeping.

4.7.3 Surplus Space Enrollment: The educator may be enrolled on the basis of surplus space as determined by the institution under these rules and guidelines as follows:

4.7.3.1 If a principal or substantial reason for the institution to offer the class is to serve educators, then no educator enrolled in that class can be considered to be enrolled on the basis of surplus space, and therefore cannot be eligible for this exemption from tuition charges;

4.7.3.2 If the class meets the requirements of 53A-6-104(2)(b)(i) but does not have as a principal or substantial purpose to serve educators, then the institution shall define the optimum class size of the class in accordance with regular procedures and normal teaching loads in that space within the institution’s approved budget. The number of surplus space enrollments available to educators is determined by subtracting from the optimum class size the number of tuition paying students enrolled in the class. The surplus space enrollments may then be filled by educators on a first come first served basis. However, in order to maintain the optimum class size, educators exempt from tuition may be bumped (last in, first out) by regular tuition paying students who later register for the class.

The adjutant general may delegate this responsibility to the Utah Department of Veterans Affairs.

5.1 Waivers for Nonresident Undergraduate, Graduate, or Summer School Students

The president of each institution may waive all or part of the nonresident portion of tuition for meritorious nonresident undergraduate students to an amount not exceeding the designated percent of the total amount of tuition which, in the absence of the waivers, would have been collected from all nonresident students at the institution outlined in the chart below.

Utah State University	13%
Weber State University	40%
Southern Utah University	35%
Snow College	27%
Utah Tech University	30%
Utah Valley University	18%
Salt Lake Community College	10%

5.1.1 In determining which students are meritorious for purposes of granting a tuition waiver under 5.1, a president shall consider students who are performing above the average at the institution, including having an admission index higher than the average for the institution, if an admission index is used.

5.1.2 A president may continue to waive the nonresident portion of tuition for a student described in 4.1 for as long as the student is enrolled at the institution.

5.1.3 In addition to waiving the nonresident portion of tuition for a meritorious nonresident undergraduate student under 5.1, a president may waive the resident portion of tuition after the meritorious nonresident undergraduate student completes a year of full-time study at the institution.

5.1.4 Institutions will be given until July 2021 to adjust their financial aid awards practice to align with these percentages and would be asked to be compliant with the policy for the 2022 Academic school year reports.

5.1.5 The Office of the Commissioner of Higher Education will review the percentages in 2022 and then no longer than every five years thereafter and recommend changes if appropriate and justified.

5.1.5.1 Institutions may also request an adjustment to these percentages for the Board's consideration outside of the five-year review period.

5.1.6 A president may waive all or part of the nonresident portion of tuition for nonresident graduate students.

5.1.7 A president may waive all or part of the nonresident portion of tuition for nonresident summer school students

5.2 Nonresident Tuition Scholarships

5.2.1 In addition to the “border waiver” scholarships authorized under [Utah Code section 53H-11-406](#), USHE presidents are authorized to grant scholarships for a waiver of the nonresident portion of total tuition charged to nonresident students when the scholarships will:

5.2.1.1 Assist in maintaining an adequate level of service and related cost-effectiveness of auxiliary operations; and

5.2.1.2 Promote enrollment of nonresident students with high academic aptitudes.

5.2.2 Policy Guidelines: Nonresident tuition scholarships may be awarded at the institutions with the following provisions:

5.2.2.1 The amount of the approved scholarship may be up to 100 percent of the differential tuition charged to nonresident students for an equal number of credit hours of instruction;

5.2.2.2 675 of the approved scholarships may be at a level of more than 50 percent of the differential tuition charged to nonresident students for an equal number of credit hours of instruction;

5.2.2.3 A nonresident scholarship may be awarded initially only to a nonresident student who has not previously been enrolled in a college or university in Utah and who has enrolled full time for ten or more credit hours; and

5.2.2.4 A nonresident student who receives a scholarship of greater than 50 percent of the differential tuition charged to nonresident students for an equal number of credit hours of instruction may not be counted against the funded target for the institution attended.

5.2.3 Annual Number of Nonresident Tuition Scholarships: Each academic year the president of the following institutions may award nonresident tuition

scholarships as set forth below, not to exceed a total of 900 such scholarships in effect at any one time:

Institution	Differential Tuition Scholarships (up to 100%)	Differential Tuition Scholarships (up to 50%)	Total
University of Utah	24	14	38
Utah State University	330	112	442
Weber State University	55	15	70
Southern Utah University	96	25	121
Snow College	2	7	9
Utah Tech University	161	44	205
Utah Valley University	0	0	0
Salt Lake Community College	7	8	15
USHE Total	695	225	900

5.2.3.1 Institutions shall determine award eligibility on a meritorious basis, considering measures such as grade point averages and test scores.

5.2.3.2 In determining eligibility for these scholarships, institutions may consider the impact of maintaining critical enrollment levels in academic programs.

5.3 Partial Waivers Pursuant to Reciprocal Agreements

5.3.1 Partial Waiver of Nonresident Differential: The Board may grant a full or partial waiver of the nonresident differential in tuition rates charged to undergraduate students pursuant to reciprocal agreements with other states. In making the determination, the Board considers the potential of the waiver to: (A) enhance educational opportunities for Utah residents; (B) promote mutually beneficial cooperation and development of Utah communities and nearby communities in neighboring states; (C) contribute to the quality of educational programs; and (D) assist in maintaining the cost effectiveness of auxiliary operations in Utah institutions of higher education.

5.3.2 Utah Tech University Good Neighbor Waiver: Utah Tech University may offer a good neighbor full waiver of the nonresident differential in tuition rates charged to undergraduate students pursuant to the reciprocal agreements with

other states or to a resident of a county that has a portion of the county located within 70 miles of the main campus of Utah Tech University. A student who attends Utah Tech University under a good neighbor tuition waiver shall pay a surcharge per credit hour in addition to the regular resident tuition and fees of Utah Tech University. The surcharge per credit hour shall be based on a percentage of the approved resident tuition per credit hour each academic year. The percentage assessed as a surcharge per credit hour shall be set by the Board. Utah Tech University may restrict the number of good neighbor tuition waivers awarded. A student who attends Utah Tech University on a good neighbor tuition waiver may not count the time during which the waiver is received towards establishing resident student status in Utah.

5.3.3 Reciprocal Agreements with Other States: Consistent with its determinations made pursuant to subsection 4.3, the Board may enter into agreements with other states to provide for a full or partial reciprocal waiver of the nonresident tuition differential charged to undergraduate students. An agreement shall provide for the numbers and identifying criteria of undergraduate students and shall specify the institutions of higher education that will be affected by the agreement.

5.3.4 Policy Guidelines: Each Utah institution affected by tuition waivers authorized by this part shall establish policy guidelines for evaluating applicants for such waivers.

5.4 “Border Waiver” Nonresident Partial Tuition Scholarships

5.4.1 Border Waivers: An institution may grant a scholarship for partial waiver of the nonresident portion of total tuition charged by public institutions of higher education to nonresident undergraduate students, subject to the limitations provided in this part, if the institution determines that the scholarship will (a) promote mutually beneficial cooperation between Utah communities and nearby communities in states adjacent to Utah; (b) contribute to the quality of educational programs in the institution; (c) assist in maintaining an adequate level of service and related cost effectiveness of auxiliary operations in the institution; and (d) promote enrollment of nonresident students with high academic aptitudes.

5.4.2 Policy Guidelines: The institution shall establish policy for the administration of any “border waiver” partial tuition scholarships authorized under this part and for evaluating applicants for those scholarships. The institutional policy shall include the following provisions:

5.4.2.1 The amount of the approved scholarship may not be more than 1/2 of the differential tuition charged to nonresident students for an equal number of credit hours of instruction;

5.4.2.2 A “border waiver” nonresident partial tuition scholarship may be awarded initially only to a nonresident undergraduate student who has not previously been enrolled in a college or university in Utah and who has enrolled full time for ten or more credit hours, whose legal domicile is within approximately 100 highway miles of the USHE institution at which the recipient wishes to enroll, or within such distance or such designated eligible communities or regions as the Board may establish for each institution;

5.4.2.3 The total number of “border waiver” nonresident partial tuition scholarships granted by the institution may not exceed a total of 600 such scholarships in effect at any one time as provided in the table below; and

5.4.2.4 The institution shall determine eligibility for “border waiver” nonresident partial tuition scholarships on the basis of program availability at the institution and on a competitive basis, using quantifiable measurements such as grade point averages and results of test scores.

Institution	Number of Scholarships
University of Utah	30
Utah State University	290
Weber State University	35
Southern Utah University	74
