01.00 POLICY AND RATIONALE

01.01 Policy

It is the policy of the Utah Department of Corrections (UDC) that inmate access to and use of computers and related computer equipment shall be monitored and controlled to prevent misuse, fraud, and abuse.

01.02 Rationale

For safety and security purposes, it is necessary to establish policies and procedures that limit, restrict, and regulate inmate computer use and access to authorized work assignments, programming, educational needs, or other Department-authorized activities only.
