1. PURPOSE:

The purpose of this policy is to establish the procedures and standards governing the issuance, renewal, suspension, and revocation of Licenses to Carry Firearms (LTC) and Firearm Identification Cards (FID) by the Worcester Police Department, and to set guidelines for the collection and accounting of associated fees. The Chief of Police or designee serves as the licensing authority for the City of Worcester pursuant to Massachusetts General Laws Chapter 140, as amended by Chapter 135 of the Acts of 2024 (An Act Modernizing Firearms Laws).

2. POLICY:

It is the policy of the Worcester Police Department to administer firearms licensing in accordance with Massachusetts General Laws Chapter 140, §§ 121F, 129B, 131, and 131P, as amended by Chapter 135 of the Acts of 2024. The Department shall issue licenses and Firearm Identification Cards to all qualified applicants who are neither prohibited persons nor determined to be unsuitable, as defined by law. The Department will process all applications, and maintain accurate licensing records, and ensure that the public safety interests of the City of Worcester are protected throughout the licensing process.

3. SCOPE:

This policy applies to all personnel assigned to or performing duties within the License Division of the Worcester Police Department. This policy governs the processing of, issuance, renewal, suspension, and revocation of Licenses to Carry Firearms and Firearm Identification Cards, and the collection of associated fees. This policy supersedes and replaces Policy 335 (FID, 1996), Policy 340 (Endorsements on Firearm Applications, 1993), and Policy 405.2 (License to Carry Firearms, 2013).

4. DEFINITIONS:

B. License to Carry Firearms (LTC)

A license issued pursuant to MGL c. 140, § 131, entitling the holder to purchase, rent, lease, borrow, possess, and carry firearms, including large capacity firearms and ammunition therefor. An LTC does not entitle the holder to transfer, possess, or carry large capacity feeding devices or assault-style firearms unless permitted under MGL c. 140, § 131M.

C. Firearm Identification Card (FID)

A card issued pursuant to MGL c. 140, § 129B, entitling the holder to purchase, rent, lease, borrow, possess, and carry non-large-capacity rifles and shotguns and ammunition therefor.

D. Prohibited Person

A person who is disqualified from obtaining a firearms license, Firearm identification card, or permit based on the statutory criteria set forth in MGL c. 140, § 121F, including but not limited to persons convicted of certain felonies or misdemeanors, persons subject to active restraining orders, persons committed to a mental health facility, persons adjudicated as incompetent, fugitives from justice, persons subject to an active Extreme Risk Protection Order, and other categories as defined by state and federal law.

E. Unsuitable Person

A person who, while not a prohibited person, is determined by the licensing authority or by a court to be unsuitable to be issued a license based on reliable, articulable, and credible information that the person has exhibited or engaged in behavior suggesting that, if licensed, the person may create a risk to public safety or a risk of danger to self or others, as set forth in MGL c. 140, § 121F.

F. Firearm

As defined in MGL c. 140, § 121, as amended by Chapter 135 of the Acts of 2024: a weapon which is designed to or may readily be converted to expel a shot or bullet, including the frame or receiver of any such weapon and the unfinished frame or receiver of any such weapon. C. Background Investigation

Upon receipt of a completed application, the License Division shall conduct the inquiries required by MGL c. 140, § 121F, including inquiries to: the Commissioner of the Department of Criminal Justice Information Services regarding any disqualifying condition, prior licensing information, records of restraint and hospitalization under MGL c. 123, § 12, and records of firearms transactions; the Commissioner of Probation regarding any record in the Department of Probation or the Statewide Domestic Violence Record Keeping System; and the Commissioner of Mental Health regarding whether the applicant is a suitable person to possess firearms.

D. Issuance

Upon completion of the background investigation, the application shall be forwarded to the Firearms Records Bureau (FRB) for a final records review. No license shall be issued unless the Colonel of the State Police, through the FRB, certifies that available information does not indicate that issuance would violate state or federal law. Following FRB certification, the licensing authority shall either approve the application and authorize issuance of the LTC or FID, or deny the application and notify the applicant in writing of the reason for denial, in accordance with MGL c. 140, § 121F.

E. Machine Gun Licenses

No person shall be issued a license to carry a machine gun, except that the licensing authority may issue a machine gun license to: a firearm instructor certified by the Municipal Police Training Committee for the sole purpose of firearm instruction to police personnel, or a bona fide collector of firearms as defined in MGL c. 140, § 121. This exception does not apply to automatic devices or automatic parts.

B. Application Requirements

All FID applications shall be submitted on the form prescribed by the Executive Office of Public Safety and Security. Each initial application shall include a basic firearms safety certificate meeting the requirements of MGL c. 140, § 131P. A certificate issued by the Division of Law Enforcement in the Department of Fisheries, Wildlife and Environmental Law Enforcement evidencing satisfactory completion of a hunter education course shall serve as a valid substitute for the basic firearms safety certificate.

A. LTC Fees

The application fee for an LTC shall be as established by MGL c. 140, § 121F.

All fees collected by the License Division shall be posted and forwarded to the City Treasurer in accordance with general accounting procedures established by the Department and the City of Worcester.

8. SUSPENSION AND REVOCATION:**A. Mandatory Suspension or Revocation**

A license or FID shall be suspended or revoked by the licensing authority upon the occurrence of any event that would have disqualified the holder from being issued the license or card, or from having it renewed. Upon suspension or revocation, the licensing authority shall take possession of the license or card, and the holder shall comply with MGL c. 140, § 129D regarding the surrender of firearms and ammunition.

License Division personnel shall provide applicants with written notice of denial or adverse action that includes information regarding the appeal process as required by statute.

10. EXTREME RISK PROTECTION ORDERS:

The License Division shall comply with all Extreme Risk Protection Order (ERPO) provisions set forth in MGL c. 140, § 131R, as amended by Chapter 135 of the Acts of 2024. A person who has had their firearms license revoked pursuant to an ERPO shall not be eligible to obtain any new firearms license or identification card while the ERPO remains in effect. License Division personnel shall coordinate with the courts and the Department of Criminal Justice Information Services to ensure prompt processing of ERPO-related licensing actions.

No member of the Worcester Police Department shall endorse, recommend, or provide a personal reference for any applicant for a License to Carry Firearms or Firearm Identification Card. Applicants who are not members of the Department shall be required to seek any references or endorsements from individuals outside the Department. This prohibition exists to prevent conflicts of interest that may arise in connection with subsequent licensing actions, including suspensions and revocations, and is in the best interests of both the officer and the City.

13. RECORD KEEPING:

The License Division shall maintain records of all licensing actions in accordance with MGL c. 140, § 121F, including all applications, receipts, fees, affidavits, training certificates, issued licenses, denials, revocations, suspensions, decisions of the Firearm Licensing Review Board, and firearm transfers. Revisions:**April 24, 2026:**

Complete rewrite consolidating Policy 335 (FID, 1996), Policy 340 (Endorsements on Firearm Applications, 1993), and Policy 405.2 (License to Carry Firearms, 2013) into a single comprehensive firearms licensing policy. Updated all statutory references to reflect Chapter 135 of the Acts of 2024 (An Act Modernizing Firearms Laws), effective October 2, 2024, which substantially amended MGL c. 140, §§ 121–131Q. Key statutory changes incorporated: new § 121F consolidated licensing procedure with 40-day processing deadline; replacement of “suitable person” standard with “prohibited person / unsuitable” framework; expanded definition of “firearm” to include rifles, shotguns, frames, receivers, and unfinished frames/receivers; new firearms registration requirements via DCJIS electronic system; expanded Extreme Risk Protection Order provisions under § 131R; updated basic firearms safety certificate requirements under § 131P; elimination of prior license restriction categories (Target and Hunting, Sporting, Employment, etc.) that are no longer consistent with current law. Retained officer endorsement prohibition from Policy 340. Updated fee waiver provisions to remove references to Airport Police (no longer a City function) and to use generic language rather than hardcoded employee categories. Reformatted to ADA-compliant policy template. Updated signing authority to Chief Paul B. Saucier. MPAC: No MPAC accreditation standards directly govern firearms licensing, which is a statutory function of the licensing authority under MGL c. 140. This is documented for assessor reference.
