

Louisiana Department of Public Safety  
Office of Motor Vehicles  
**Policy 43.00 Driver's Licenses Held by the Office of  
Motor Vehicles**

**Section:** 2. Driver's License Laws

**Effective Date:** 03/23/1987

**General:**

- Effective March 23, 1987, **all** suspended driver's licenses held by the Office of Motor Vehicles **will not** be returned to the customer, whether the license is current or expired. When a customer is placed in compliance and their license is still valid, they will be required to obtain a duplicate license and pay and applicable fees. If the license is expired, they will then be required to renew their license and pay all applicable fees.
- Applicants applying for a duplicate license with their clearance letter (Form LC20) are required to submit **one** additional type of identification.
- Any driver's license issued, whether it be duplicate or renewals, because of a suspension **are not** to be held for mailing.
