

Louisiana Department of Public Safety
Office of Motor Vehicles
Policy 20.00 Credit for Time Served

Section: 2. Driver's License Laws

Effective Date: 05/05/1992

Revised Date: 06/05/2018

General:

- Louisiana Revised Statutes does not provide for the acceptance of affidavits to allow for time served for violations requiring a mandatory suspension period.

Requirements:

- Credit can only be given upon receipt of the most current operator's license (in or out-of-state), upon expiration of an operator's license or on the date the statement of non-possession is received.
- A statement of non-possession is not required if the individual surrenders an out-of-state license or if the individual is under 15 years of age.
- **Exceptions** will be made in the following situations:
 - Written documentation (including specific dates) from a hospital or prison that the individual was confined.
 - Written documentation (including specific dates) from a law enforcement agency, including a District Attorney's office, that the operator's license was held by that office.
