Scope: To establish the requirements for issuance of a Louisiana title for a vehicle that is subject to a Justice of the Peace Court Order and to establish a process by which a Justice of the Peace can request documents necessary to aid in rendering a judgement.

Definitions:

- **Justice of the Peace** – an elected official who has judicial authority of a ward or district and who has concurrent jurisdiction with Parish and District Courts on issues regarding the ownership of movable properties the value of which does not exceed \$5000.
- **Justice of the Peace Court Order** – A court order rendered by a Justice of the Peace
- **National Automobile Dealers Association (N.A.D.A)** – A vehicle valuation guide

General:

- A Justice of the Peace may request information from the Office of Motor Vehicles pertinent to the vehicle and which may be necessary to aid the Justice of the Peace in determining if an order/judgement should be rendered.
- Adversarial proceedings (if someone contests the court order) must be against the owner of record. It will be the responsibility of the Justice of the Peace issuing the judgment to provide proof of the proceedings to the Office of Motor Vehicles.
- A Justice of the Peace order submitted by an auto title company shall **not** be accepted if the Justice of the Peace who rendered the order is an employee, officer, director, manager or owner of that auto title company submitting the transaction.

Eligibility:

- **Vehicle Valuation:** To determine if ownership of the movable property can be established by a Justice of the Peace, the value of the vehicle shall be based on the retail value of the vehicle as determined by N.A.D.A. The value of the vehicle shall be less than \$5,000. If the N.A.D.A. value exceeds \$5,000, the Judgement shall contain a detailed statement of facts as to why the vehicle is valued at less than \$5,000.

- OMV **will not** accept court orders for the following:
 - When the current value or current purchase price exceeds \$5,000 with no explanation warranting the value
 - A vehicle purchased from a dealer that is still in business
 - Damaged vehicles with no disclosure or affidavit of repairs submitted
 - Vehicles that have been branded with any of the following brands or their equivalent:
 - **Auto Hulk**
 - **Crushed Vehicle**
 - **Crushed Katrina**
 - **Dismantled Vehicle**
