Louisiana Department of Public Safety
Office of Motor Vehicles
Policy 20.02 Cancelled Permits to Sell

Section: 4. Motor Vehicle Registration Requirements

Effective Date: 07/15/1994

Revised Date: 05/30/2024

Authority:
Administrative

Definitions:
- **Permit to Sell** - An authorization, issued by the Office of Motor Vehicles, that allows for the sale of a vehicle that was placed in storage or left in a repair facility and was subsequently abandoned by the owner

General:
- Cancellation of a Permit to Sell renders the permit invalid. This cancellation is usually requested when the registered owner of the vehicle reports to the towing and storage facility and claims their vehicle.
- All requests for cancellation of Permits to Sell are to be sent to the Specialized Vehicle Unit, HQ, for processing

Required Documentation:
- The original Permit to Sell
- A written statement on company letterhead explaining the reason for the request to cancel the Permit to Sell
