Policy 25.00 Recyclers as Retail Dealers

Section: 4. Motor Vehicle Registration Requirements

Effective Date: 10/11/1982

Revised Date: 08/12/1987

General:

- An automotive dismantler and parts recycler is licensed through the Louisiana Used Motor Vehicle and Parts Commission.
- Effective September 1, 1987, if a dismantler and parts recycler sells a vehicle at retail, he **MUST** have a Used Motor Vehicle Dealer License. As of September 1, 1987, he will not be allowed to sell a vehicle at retail on his recycler's license, unless the appropriate taxes and fees are collected.
- All invoices/bills of sale from a dismantler and parts recycler must show the UD# if the vehicle is being sold at retail and must also show the 4-digit dealer code which will be checked by computer when the transaction is entered.
- Any file in which a vehicle was sold at retail by a dismantler and parts recycler must be rejected if the UD# and the 4-digit dealer code are not included.
