Statement of Policy

These regulations are based on the principle that operating a motor vehicle on the Southern University at New Orleans (SUNO) campus is a **PRIVILEGE** granted by the University. It is not an inherent right of any faculty or staff member, student, or visitor. As these privileges are granted by the University, they are revocable at any time.

These Traffic and Parking Regulations are published and enforced to ensure safe, courteous, and orderly vehicle operation and parking. It is the responsibility of the driver to know and follow these regulations or they will be cited for any violations. Vehicle registration is required for any vehicle operated by a member of the SUNO community on the SUNO campus.

In accordance with Louisiana state law, any vehicle operated on the campus must contain proof of liability insurance. Southern University at New Orleans (SUNO) assumes no responsibility, nor creates any liability, for the care and/or protection of any vehicle, or its contents, while it is on campus.

GENERAL PROVISIONS

You must familiarize yourself with and follow all parking and traffic regulations.

All other state and local traffic regulations apply on campus.

The maximum speed limit on campus is 20 mph. The speed in all parking lots is 10 mph.

Traffic tickets, permits, Citation Appeal Forms, and vehicle registration applications are official documents of the Southern University at New Orleans Police Department.

Falsification of or allowing falsification of official documents subjects the person to Southern University at New Orleans disciplinary action.

Vehicles are required to yield to pedestrians who are within a crosswalk or so close to the crosswalk that a hazard is present.

Southern University at New Orleans assumes no responsibility for the care and/or protection of any vehicle or its contents.

Any vehicle parked or positioned to cause a hazardous situation for pedestrians or vehicular or emergency vehicle movement may be towed by order of the Chief of Police. Any cost related to such tow shall be the responsibility of the registered owner of said vehicle.

SUNO Police encourage everyone to pay close attention to where they are parking and to obey all parking and traffic laws.

All students, employees, and visitors operating motor vehicles on campus must register for a parking permit and obey the Traffic & Parking Regulations.

All students and employees must pay the appropriate fee to receive a parking permit.

Motorcycle Parking and Permit: Motorcycles (including motor scooters, motorbikes, and mopeds) must be registered with the Office of Traffic and Parking and parked in the appropriate area. These vehicles must not be parked on lawns or sidewalks. Motorcycle permit fees are in accordance with employee and student fee schedules.

- Vehicles found parked on campus in violation of the rules of suspension may be towed without notice at the owner's expense.

When reporting an accident, include the name(s) of the driver(s), and driver's license number(s) of all parties involved. If the other party is absent: make an immediate report to SUNOPD to avoid being charged with a hit and run accident. A few days after the report is taken, you can receive a copy from SUNOPD. You can use this report to file with your insurance company.
- All vehicles operated on campus must be in safe working condition.
- Lock your vehicle at all times and store your valuables out of sight. The University assumes no responsibility for any vehicle or its contents at any time while operating or parking on University-owned or controlled property. ENFORCEMENT

- The enforcement of these ordinances will be performed by officers of the SUNO Police Department.
- It is the responsibility of all individuals operating or parking a vehicle on campus to familiarize themselves with these ordinances. Tearing down or larceny of signs will not alter parking restrictions and violations will be enforced.
- At times, traffic laws inconvenience individuals, but in such cases it should be remembered that these laws are for the general good, and all should willingly comply in the interest of the orderly functioning of the University.
- The fact that a citation is not issued when a vehicle is illegally parked does not mean or imply that the regulations are no longer in effect.
- Faculty, staff, and students may not park in a fire zone or handicap parking space to load and unload.
- The inability to find a legal parking space in convenient or specific locations is not justification for violations of the parking regulations.
- Persons accumulating 5 or more citations during the academic year will be turned over to the University Disciplinary Committee.

VEHICLE GASOLINE LEAKS

- No vehicle shall be brought on campus while leaking gas or other flammable liquids.
- If a vehicle is leaking gas or any flammable liquids, the owner will be ordered to have the vehicle removed from campus until the necessary repairs are made.
- If the owner cannot be located in a timely manner, the vehicle will be towed to a safe location until the owner claims the vehicle after paying all fines and/towing fees
- It is each person's duty to notify the SUNO Police Department if a vehicle is observed leaking gas or other flammable liquid.
- Gas leaks create a fire hazard and pose a threat to our environmental well-being.

TOWING, IMPOUNDING, IMMOBILIZING, AND JUDICIAL ACTION

The University reserves the right to immobilize, remove, impound, or ban any vehicle from campus for the following reasons:

- Four (4) unpaid tickets.

- Abandoned vehicle (more than five days) or an inoperable vehicle.
- Vehicles impeding the flow of traffic or emergency vehicles.
- Vehicles parked in reserved spaces, restricted areas, loading zones and handicap zones.

If your vehicle is towed and/or impounded, you must resolve any outstanding tickets issued by the University, as well as any cost associated with towing and storage of your vehicle. If your vehicle is immobilized, you must resolve any outstanding tickets and pay the service charge for immobilization prior to the device being removed. Repeat violators could also be subject to other internal and external judicial processes.

IMMOBILIZATION POLICY

A motor vehicle immobilizer may be placed on a vehicle in one or more of, but not limited to, the following situations:

- Because of limited parking facilities and the increasing demand of space, a vehicle will not be allowed to occupy a parking space when in an inoperable condition for a period exceeding 24 hours. If the SUNO Police Department is not notified, a notice of violation will be issued to the Vehicle. If the vehicle is not moved, it may be towed at the owner's expense.

A motor vehicle is also subject to being towed at the owner's expense if it has been immobilized for more than 48 hours and the owner/driver has not attempted to contact the SUNO Police Department-Parking Services Division to identify him/herself and arrange to settle the fines and fees associated with the immobilization.
